Re: Regional Killer Jonathan Lippman: Criminal Use of Law Departments and the NYS Judiciary For Repetitious Indisputable Theft of Wages, Criminal Execution of All Forms of Support and Repetitious NYS Statutory Tenure Income Obstructions, Newly Submitted NYS Crime Victims Application For Entitled Loss of Wages and Property Damage Compensation, A Means of Living , A Lifeline To Offset the Documented Life Threatening Crimes Including Theft of Wages, An End To Regional Killer Jonathan Lippman's Criminal Usurpations and Use of Law Departments to Obstruct The Rule of Law, Equal Protection of The Law Enforcement, Attached Money Order and Letters Documenting Jonathan Lippman's No Certified Oath of Office In The Courts and In the NYS Department of State and Protection From Retaliatory Induced Hospitalization Preparations Inflicted On My Elderly Father While In A Nursing Home For Temporary Physical Therapy for His Legs

Dear Public Officials Identified Above:

I write this affidavit in support of the attached NYS Crime Victims Application for Compensation. I am submitting this application to supplement the criminal reports and exhibits submitted in Claim Number: 530161. Due to the ongoing criminal multiple theft of wages, criminal loss of all financial support due me via statutory tenure, and the ongoing multiple criminal income lynching and blacklisting, I cannot afford to resubmit duplicate copies of the criminal reports and exhibits filed with the above noted criminal justice agencies. In Exhibit 65, titled References, the criminal reports are posted and each one has the certified receipts verifying that the crimes were reported and filed with multiple criminal justice agencies.

Above all, the criminal reports and exhibits validate that my family and I have suffered beyond words from these federal and state crimes, primarily, multifaceted attempted murders, theft of wages, economic assassination, and conspiracy against rights crimes and the lack of regulation of such. Please see Exhibit 65. This is the reference section where all of the criminal reports are posted. Furthermore, the multiple criminal reports, the certified receipts for mailing such and the copying receipts exemplify that I have availed myself to cooperate with police/criminal investigations as much as humanely possible.

I write this affidavit to report additional Jonathan Lippman name aligned retaliatory and escalated crimes inflicted since collating evidence documenting his inability to produce a certified copy of his judicial oath of office as required by law. Please see prima facie evidence of his no certified oath of office on file anywhere:

Please see some of the escalated crimes and exhibits documented in verified criminal reports sent to multiple criminal justice agencies.

<http://www.scribd.com/doc/32248374/No-Oath-of-Office-Jonathan-Lippman-Apartment-Terrorization-Pitting-Escalates-Revenge-Criminal-Insanity-and-Apartment-Terrorization>

Above all, I write this affidavit in particular to the below two clauses in the crime victim protection brochure posted at:

http://ojp.usdoj.gov/ovc/publications/infores/whatyoucando_2010/WhatUCanDo_508.pdf

- Compensation programs reimburse victims, **including victims of federal crimes**, for expenses. Expenses covered are medical costs, mental health counseling, funeral and burial costs, **and lost wages or loss of support**. Crime victim assistance programs provide a range of services, including crisis intervention, counseling,
- The right to be reasonably protected from the accused offender.

Foremost, for the last 10 years my wages have been criminally stolen repetitiously due to documented law department criminal usurpations, summarized as a criminal and deadly conspiracy against rights headed by Regional Killer Jonathan Lippman criminal law department usurpations. I have earned NYS statutory tenured wages twice. Each time my wages were criminally stolen via criminal law department usurpations despite doing exemplary work protecting my income from such. Please see Exhibits 3-53 and or pages 13-18 on the below link for documentation of this:

<http://www.scribd.com/doc/32583060/Lippman-Law-Dept-Replicated-Theft-of-All-Forms-of-Support-Wages-and-NYS-Statutory-Tenure-Obstructions>

AND

<http://www.scribd.com/doc/32597141/Lippman-Synder-Code-Attorney-Educator-Killings-and-Criminal-Law-Dept-Usurp-Replications>

I have earned above average evaluations, ratings and commendations in all jobs and in return for such my income was criminally stolen, effectuating indisputable, criminal and repetitious loss of all forms of support, self sufficiency and wages. Please note under the criminal, unauthorized, judicial reign of Regional Killer Jonathan Killer, the NYS judiciary was criminally used to obstruct NYS statutory tenure and education laws, which would have protected my wages from theft. I seek entitled compensation from these indisputable theft of wages crimes and criminal loss of all financial support, as no one can exist without income and I earned my statutory right to secured income. Please see pages 1-31 here:

<http://www.scribd.com/doc/32583060/Lippman-Law-Dept-Replicated-Theft-of-All-Forms-of-Support-Wages-and-NYS-Statutory-Tenure-Obstructions>

In addition, since these criminal conspiracies against rights and theft of earned wages crimes have not been stopped, they have criminally continued up to today via infinite criminal income blacklisting and ongoing theft of wages. Regional Killer Jonathan Lippman's criminal loss of wages crimes and economic assassination crimes have criminally had more power than my bilingual skills, two post graduate NYS education administration licenses, my Masters degree, my Bachelors degree, a NYS education commendation, multiple work history exemplary ratings, NYS statutory tenure laws, equal protection clauses in the state and federal constitution, education volunteer etc. These crimes have been prioritized in the most criminally insane and deadly manner. No one can live without income and for this reason I seek entitled crime victim protections embedded in some type of compensation.

In the below two links you will see a seasonal job I completed, with experience and expertise, and the Regional Killer Criminally Insane Jonathan Lippman relentless theft of wages crimes, with the judiciary backing up the crimes were prioritized again. My wages were stolen from this one day assignment because this criminally insane theft of wages disguised killing was prioritized again. Please see:

<http://www.scribd.com/doc/19794117/Debbie-Jaffee-Criminal-and-NYC-Board-of-Election-Criminal-Complaint>

and <http://www.scribd.com/doc/20175229/SEPTEMBER-09-CRIMINAL-REPORT-AFFIDAVIT-PT-2-DEBBIE-JAFFEE-HIT>

In the below 2 links please see how the NYS judiciary was used repetitiously to obstruct the rule of law to attack me, obstructed NYS statutory tenure laws to effectuate theft of wages, obstructed two EEOC Notice of Right To Sue Letters of support, and obstructed every fiber in the equal protection of the law clause. Please see pages 19-50 here:

<http://www.scribd.com/doc/32405085/KILLERS-LIPPMAN-GRAY-REPLICATED-UNREGULATED-NYS-STATUTORY-TENURE-OBSTRUCTIONS-CRIMINAL-LAW-DEPT-USURPATIONS-JUDICIAL-CASE-FIXING-INDUCED-POVERT>

In the below link you can read and see how two people were criminally killed Regional Killer Jonathan Lippman criminal medical set up styles over helping me secure wages. One helped me get a job and was thereafter set up and attacked by criminal law department obstructions of the rule of law. The other was an attorney who helped me secure wages and support via a Hempstead Public Schools settlement. Both were killed immediately after helping me secure wages.. Please note the medical SYNDER CODE crimes in the below link exemplify how medical facilities are being criminally used to enjoin and kill innocent people via Regional Killer Jonathan Lippman criminal usurpations and deadly organized crime:

<http://www.scribd.com/doc/32597141/Lippman-Synder-Code-Attorney-Educator-Killings-and-Criminal-Law-Dept-Usurp-Replications>

Pursuant to the above crime victim protection clause, I seek the enforcement of one's right to be reasonably protected from the accused. This can happen by the enforcement of NYS crime victim protection loss of wages compensation. Regional Killer Jonathan Lippman has criminally stalked and executed every means of financial support I have and no one can live without income. The criminal theft of all forms of financial support is an attempted murder on one's life, particularly when the doing of such is in collaboration with the below terrorization crimes, harassment, and induced hospitalizations of both of my elderly parents.

Please see the elder abuse reference section attached as Exhibit 63. This exhibit shows how crimes have been inflicted on both of my elderly parents, as they are both forms of support for me. In addition, my secured tenured wages are needed so I can repay and help both of my elderly parents as they have become victimized, physically and financially, from these crimes for being a support system to help keep me alive.

These types of criminal insanity attacks on both my elderly parents to kill and or disable them from helping me and the replicated theft of statutory tenured income enjoining the NYS judiciary, epitomize the need for the crime victim's board's compensation plan and the need for executive and legislative intervention over Jonathan Lippman's repetitious criminal use of law departments to obstruct the laws of this country to create judicial jurisdiction to use the judiciary to attack me via replicated and advanced level obstruction of the rule of law to economically assassinate me.

Since collating evidence of Regional Killer Jonathan Lippman's no certified oath of office copy anywhere, he has been sending people to my house to harass, retaliate, threaten and and intimidate me. I seek an end to such. Please read about two recent examples of these Regional Killer Jonathan Lippman name aligned harassment, conspiracy against rights and intimidate a witness crimes here: <http://www.scribd.com/doc/30146261/Descriptions-Criminal-Affidavits-For-The-Crimes-of-April-13-2010-Parts-1-2>

Please listen to the retaliatory no oath of office escalated crime inflictions where the police were criminally pitted against me on behalf of Regional Killer Jonathan Lippman's judicial trespass crimes:

<http://www.talkshoe.com/talkshoe/web/audioPop.jsp?episodeId=346329&cmd=apop>

OR HERE:

I seek an end to Regional Killer Jonathan Lippman sending people to my home under defraud authority to threaten, set me up for a medical killing, harass, intimidate, retaliate and attempt to silence his crimes. As exemplified in the above audio, these people/criminals/cult members have used his criminal defraud authority judicial position as authority to obstruct justice, retaliate, threaten and intimidate me, a witness. They have inflicted egregious emotional distress on me. Again, the criminal evidence is in the above tape recordings.

An order of protection is needed and is requested to stop these economic assassination crimes and to stop Regional Killer Jonathan Lippman from sending more people to my house to harass, intimidate, retaliate and incite altercations for police pitting against me for documenting initiating evidence of his judicial disqualifications and no certified oath of office. Please see the initial evidence here:

<http://www.scribd.com/doc/31714715/EXHIBIT-Jonathan-Lippman-Defraud-the-US-Non-Certified-Oath-of-Office-In-the-Courts-No-Oath-of-Office-in-Dept-of-State>

Furthermore, I write this affidavit to document possible murder and retaliation crimes that may be inflicted on my elderly father who is still in a temporary nursing home behind these Regional Killers criminal law department and medical facility usurpation crimes and hits. I say possible premeditated murder because attached you will see Exhibit 64, this is a discharge meeting notice that I went to on June 4, 2010 on behalf of my elderly father.

The focus of the meeting was not on discharge to my father's home. It was on preparations for additional induced hospitalizations under the disguise of premeditated medical problems. In summary, May 2010 my father was induced into the hospital via a miraculous food poisoning. I stayed with my father in the hospital over 8 hours. He was fine except for the food poisoning. Immediately after I left the emergency room, my father was criminally induced into critical care under the disguise of respiratory problems.

While he was home for the last 6 months and while I was in the emergency room with him, he had no respiratory problems. My father has never smoked. He lives a very healthy life style. In fact he is a natural medicine specialist, as well as a retired NYC Health Inspector. No one can or has explained these induced respiratory discrepancy phenomena that occur only while he is in medical facilities.

Again, he went to the temporary nursing home because of the need for physical therapy because the food poisoning induced hospitalization effectuated the disablement of his legs. His heart, lungs and organs are healthy. My elderly father has had no previous medical history of respiratory, heart, or any other problems other than the two times, recently induced hospitalizations over unexplainable and timely food poisonings.

Because Regional Killers Jonathan Lippman and Boyden Gray are trying to hurt me and their criminal law department and hospital administration crimes have not been regulated, they have used medical facilities via criminal law department orderings, to torture my elderly father. Please see Exhibit 63, posted criminal reports and exhibits regarding escalated elder abuse crimes and hospitalizations inflicted on my elderly parents since Regional killer Jonathan Lippman's criminal trespass as NYS Chief Criminal Judge.

Please note at this meeting, my father requested copies of legal papers that this nursing home had him sign. There is no telling what those papers entailed and whether my father signed legal papers under false pretenses as this is what these Regional Killers do, particularly since their criminal law department usurpation crimes have not been stopped.

If anything happens to my father, particularly while in the care of this nursing home in which Regional Killer Jonathan Lippman has previously criminally usurped control over the law department, than the record must show that it was a premeditated criminal plan. The meeting for my father was held as if a master retaliatory disguise plan is at hand and those legal papers my father signed and requested are part of the plan. I seek an end to such retaliatory and demonic planning.

Please note, I am compelled to file Exhibit 59, for lawful documentation of Regional Killer Jonathan Lippman's judicial disqualifications. In retaliation to such, I seek protection over my elderly parents as Regional Killers Jonathan Lippman and Boyden Gray want their criminal ruler ship to continue and are deadly documented killers. Because these documented regional killers are not institutionalized, I am compelled to report the above premeditations and publicize the threats upon my family as these killers need to be institutionalized and removed from the public.

Above all, please see other documented Regional Killer Jonathan Lippman criminal law department usurpations in this nursing home. Please see pages 6-11 criminally insane law department crime inflictions:
<http://www.scribd.com/doc/31503536/Faxed-May-17-2010-Letter-to-the-Emergency-Room-Doctors>

Please see Regional Killers Jonathan Lippman and Boyden Gray other criminal law department usurpations and injection crimes inflicted on my father here:

Additionally, I am filing this affidavit to charge Jonathan Lippman with using the NYS courts as an unregulated playground for money laundering, criminal fraud, obstruction of the rule of law, revenge and innocent people terrorizations pursuant to the use of the courts to administer US Code - Section 1028: Fraud and related activity in connection with identification documents, authentication features, and information
http://law.justia.com/newyork/codes/penal/pen0190.65_190.65.html

In summary, I have been victimized by the filing of frivolous law suits two times by lawyers affiliated with Jonathan Lippman. These lawyers have been criminally used to attack me via filing frivolous law suits against me to create Regional Killer Jonathan Lippman criminal judicial jurisdiction. In the below link you will find two lawyers that are criminals and filed frivolous law suits against me for the creation of Jonathan Lippman criminal jurisdiction. One lawyers name is Rubin Rothman and the others name is Christopher Grant of Sharin Lipshie. Both lawyers are indentified in Jonathan Lippman's below linked defraud the United States files.

These lawyers filed false affidavits, summons, and complaints in the courts of New York State and used Jonathan Lippman's false Jack Baer certificates to ordain the crimes. These lawyer criminals are Jonathan Lippman's hit men. They are identified here as the criminals they are and nothing has been done to stop their crimes embedded in filing false instruments in the courts. Please see: <http://www.scribd.com/doc/26545859/Jonathan-Lippman-Boyden-Gray-SHARINN-LIPSHIE-PC-Continued-NYS-Fraud-on-the-Courts-See-description>

Regional Killer Jonathan Lippman and his hit man lawyers are using the NYS courts to obstruct the rule of law at the expense of stealing from the American people via court ordained Holder in Due Course criminal fraud. They have committed crimes pursuant to NY PL 175.25 Tampering with public records in the first degree; 175.35 Offering a false instrument for filing in the first degree; 175.40 Issuing a false certificate. These false instruments epitomize the offering of false instruments for filing in the first degree and the court issuing a false certificate, to advance, pure, premeditated criminal fraud for the purposes of money laundering, extortion, and debt slave creation based on criminal fraud and criminally insane Jonathan Lippman vengeance. Please read the filed criminal reports here:
<http://www.scribd.com/doc/28277070/Memorandum-of-Law-Jonathan-Lippman-Holder-in-Due-Course-Raqueteer-and-Corruption-Enterprise>

Jonathan Lippman's criminal usurpation of law departments is being used throughout NYS to infiltrate the obstruction of the rule of law. Please note since he has no certified oath of office on file anywhere, every law department under his control is operating criminally, in contravention to the laws of the state and country. This is called documented demonic ruler ship on earth by criminal design. Read!

This is how claim 530161 was criminally denied and this is how organized crime is inflicted throughout government from the top down. The law unit is criminally insane Regional Killers Jonathan Lippman and Boyden Gray and they are criminally ruling over agencies and public officials directing criminal practices under the disguise of the law unit counsel/order.

I seek an end to the criminal use of law units and departments to make decisions over Public Officials and qualified people holding respective positions. I seek an end to the criminal attacks I have witnessed when people do their jobs competently they are attacked and terminated and the judiciary is being criminally used to implement this criminal insanity obstruction of the rule of law crimes.

I seek an end to the above law department criminal usurpations where the Board's legal unit is making decisions for the NYS Crime Victim's Board, agency and staff and making such rulings in contravention to the NYS crime victim protection laws, criminally creating judicial jurisdiction not needed.

It is indisputable that my income/wages have been criminally stolen too many times. Please see Exhibits. 3- 97 There is no lawful reason why claim number 530161 was denied and there is no lawful reason for this application to be denied.

To this end, on behalf of Public Officer and equal protection laws of this country, I ask that each public officer entrusted with the power to enforce the crime victim protection laws of this country and New York State be allowed to do such free from Regional Killer Jonathan Lippman's criminal law department usurpations, ordered obstruction of the rule of law, and ordered retaliation against me.

I seek an end to these documented Regional Killer Jonathan Lippman criminal usurpations over law department crimes to attack innocent crime victims such as I. I seek what I am entitled to, my satisfactory rated earned and protected statutory tenured income/wages that were criminally executed via Jonathan Lippman law department and NYS judiciary criminal usurpations, advancing his documented and unregulated conspiracy to murder crimes. No one can live without income and I earned my NYS statutory right to have and secure an income and the judiciary under Regional Killer Jonathan Lippman was criminally used to obstruct NYS statutory tenure laws that secured my income.

I seek an end to Regional Killer Jonathan Lippman's obstruction of the rule of law crimes to create judicial jurisdiction to further attack and advance the disguised killing of innocent crime victims such as I.

In closing, please forward a copy of this criminal affidavit to the Public Integrity Unit which is supposed to bring civil and criminal actions to vindicate the public's interest in honest government and the integrity of governmental officials at the state and local level. Specifically, the Unit handles complex investigations into government corruption, fraud and abuse of authority.

On behalf of human life and equal protection of the law, I seek the NYS crime victims protections I am entitled to due to the indisputable deadly crimes inflicted on my family and I, emphasis on the ongoing theft of all wages and loss of support. Please stop Regional Killer Jonathan Lippman's criminally usurped power over the NYS Crime Victims Board again via the legal unit disguise and the use of the legal unit disguise to obstruct crime victim protection laws.

Finally, my mother and I are being tortured by escalated criminal directed energy weaponry to the foot. Immediately after filing the criminal report of June 11, 2010, I was criminally attacked via this criminal weaponry. These weapons are a form of criminal insanity torture and an end to this criminal, unregulated, deadly radiation attack, and human research obstruction is needed. Please see the lack of regulation of such weaponry here: <http://www.deweapons.com/Event.aspx?id=245020>. For information about this disguise killing criminal weapon, please see: http://en.wikipedia.org/wiki/Directed-energy_weapon.

It is my fervent prayer that each Public Official listed above will enforce the law and defend the interests of the people of the United States pursuant to walls of protection against the enemy, called laws, to ensure public safety against threats foreign and domestic; to provide leadership in preventing and controlling crime; to seek just punishment for those guilty of criminal and deadly behavior; and to ensure fair and impartial administration of justice in this matter. Thank you.

Bronx, NY 11550

Dear Ms. Snyder:

The office of the president has forwarded to me a copy of your faxed letter, dated January 7, 2007, regarding re-employment in the English Department at BMCC.

~~On December 6, 2006, my staff sent you a letter explaining that a letter, addressed to Miriam Sayder, offering re-employment in the English department, dated November 30, 2006, had been sent to your home in error. A copy of the December 6th letter is enclosed.~~

As you had not taught in the English department at BMCC in the Fall of 2006 (as a matter of fact, you have never taught in the English department at BMCC). I would have thought that it was clear to you that the offer of re-employment had been sent in error. We, nevertheless, acknowledged our mistake in Mr. O'Loughlin's December 6th letter. I hope it is now clear to you that the college is not offering you employment in any capacity.

I hope this letter clears up any lingering confusion that may have resulted from the erroneous November 30th letter.

Sincerely,

SUBJECT: Reference Form of February 26, '02

It was my pleasure to have completed the reference form on your behalf. It is one of the most positive and laudatory references that I have completed. It truly and sincerely reflected my view of you as an excellent teacher and an asset to our evening session.

As I had written in the reference, "Ms. Snyder is an intelligent, highly motivated teacher. She was formally observed in the classroom by the Associate Academic Dean who evaluated her and concluded that she is a caring, knowledgeable teacher. I recommend her highly and without qualification."

Best wishes for a gratifying semester ahead. I look forward to seeing you at our next faculty meeting.

Satisfactory Unsatisfactory

Comments/Recommendations:

The lesson was satisfactory. The instructional goal was to "Develop English skills by writing an international report on a country of student choice effectuating a special project for International Education Week." This goal was derived from the Secondary Instructional Plan. The Standards were: ELA 1,3 and LOTE: 2, S.S: 1 and 5. The class took place in the Library utilizing the Internet. Each student was working on their "International Report" in a diligent manner. Ms. Snyder had assigned the work prior to the observation. She included a detailed set of criteria to each student, which clearly outlined her expectations, and the necessary components of the project. The students were working independently and were on task throughout the observations. Ms. Snyder conferred with the students on their progress and offered guidance and assistance when necessary. The students also gave each other feedback. They were respectful and thoughtful in their criticism of each others work and were clear aligned with the project goals. Ms. Snyder encouraged the use of unfamiliar vocabulary only after she was satisfied with the students who were cognizant of proper usage. She was thorough in her planning and executive and supportive of student efforts.

Recommendation(s):

- Continue to incorporate Technology into daily instruction.
- Continue to foster diversity.
- It is necessary to implement a rubric to align assignments with the grading procedure for the ELA.
- It is necessary to consistently remind students of the appropriate state/local standard throughout instruction.

FAXED TO: 914 376-8589 AND YFT 914 793-7365

SENT CERTIFIED RETURN RECEIPT

Angelo Petrone,
Interim Superintendent of Schools
Yonkers Public Schools
1 Larkin Center
Yonkers, New York 10701

Dear Mr. Petrone:

I write this letter with respect to the attached letter dated December 16, 2002 and given to me today December 18, 2002, while being forced out of the classroom for teaching effectively. The letter was given to me today right after instruction was maliciously interrupted again, due to ongoing contract violations, harassment and the malicious disregard of the education of the children.

The letter was given to me in direct retaliation to documenting and asserting constitutional rights against ongoing harassment, discriminatory practices, contract violations, and educationally unsound and malice based work conditions maliciously enforced on students and I, at Commerce Middle School.

The evidence exemplifies that these are continued pattern and practice of race based hate crimes, in that the education of these minority children has been disregarded and maliciously interrupted to facilitate and prioritize the harassment of yet another qualified and competent educator of color. The children and I do not warrant such continued unlawful treatment and practices. I have worked above and beyond the call of duty and respectfully request a reason for the harassing, discriminatory, and malicious disregard of law and the educational needs of the students.

Consequently, pursuant to Education Law 3031, I ask that your letter be rescinded and that I be furnished with a written statement giving the reasons for such recommendation.

I ask that your letter be rescinded based on the authority and law cited by the Commissioner of Education, in the Matter of Lubin, 24 Ed Dept Rep 271, 272,273, which states that:

“ It is well settled that the Commissioner of Education will not set aside a determination of the board except upon a showing of clear and convincing evidence that such determination was rendered through malice, prejudice, bad faith, or gross error,”

The evidence, specifically documents, correspondence and educationally unsound practices, shows pure harassment, malice, prejudice, bad faith, and gross error enforced on the children and I, all to eradicate another qualified and competent educator of color. The termination letter in itself lacks a rational basis, demonstrates malice, prejudice, bad faith and gross error and is in violation of Education Law 2509. Moreover, harassment while pursuing statutory duties, specifically while teaching, is adverse to the legitimate interests of the school district.

Additionally, your letter includes a copy to the finance department. I truly hope that this termination is not additionally, in direct retaliation to my letter dated 12/16/02 outlining the fictitious statement and harassment in

the payroll administrator's letters, inclusive of the letter of 11/22/02. The payroll department has stolen money out of my check and has falsified attendance records from last year.

It is within my constitutional rights to have these unlawful employment practices addressed and corrected. I have been victimized by way of ongoing harassment and I ask that these unlawful practices stop. The termination letter further interrupted the education of the children by way of having seven people come to the school to intimidate, harass, and serve me. Moreover, this facilitated the ongoing denial of needed ESL instruction. I have informed all parties that the harassment was taped.

Despite all, I am a good educator, have provided the district with volunteer services and have worked above and beyond the malice based teaching and learning conditions maliciously enforced on the school this year. The record and evidence speaks for itself. I am black and competent and this bothers a segment of people in powerful positions. The treatment enforced is in direct violations of The Equal Protection Clause, New York State Education laws, and Federal Civil Rights Statutes. This is a legal assault on the students right to a qualified and competent teacher of color and an assault on my right to work and live in the pursuit of happiness.

Despite the above, a Holiday Instructional Program and Festive, in recognition of student hard work, was scheduled for the children and parents of ESL, tomorrow December 19, 2002. I would like to extend an invitation to you, as your letter states that a recommendation will be made in the future to terminate services for unknown reasons. It is my hope that I will be able to continue to teach without being further harassed or harassed to death until this matter is resolved. Your swift response is greatly needed. Thank you.

Sincerely,

Miriam Snyder

Petrone: 'I do apologize' to parents and students

2 men's testimony
Documents filed in Westchester County Court on the Yonkers district hiring scandal include testimony from last year by Angelo Petrone and Frank Lutz to the Yonkers Inspector general and excerpts from statements by the district attorney's investigators who interviewed them. A sampling:

From the investigators' summary of his statement:
The defendant, Angelo Petrone, stated he knew Pietro Barberi since 2003 and knew he and his daughter were good friends who had dated. He actually met Pietro several times. The defendant started the process of hiring Pietro Barberi for a job in late August or early September 2004.

Lutz's testimony in the Yonkers probe:
Q: So, to the best of your recollection you recalled Pietro Barberi's removal from the job, personnel department?
A: I had seen the document the end of July (sic).

From Lutz's statement to the D.A.'s investigator:
I was trying to put my actions in the best possible light and defend my action against what I thought would be his accusation of being an unqualified individual for a high-level position.

WHITE PLAINS — Former Yonkers Schools Superintendent Angelo Petrone offered an apology yesterday for the hiring scandal that led to perjury charges against him and district Finance Director Frank Lutz. Petrone and his co-defendant appeared before Westchester County Court Judge Lester Adler yesterday morning. Both were released without bail and ordered to appear before Adler on Sept. 13. Petrone was accompanied to court by his wife, Ada Petrone, a longtime Yonkers educator who is principal of Rosemarie Ann Siragusa School. "I do apologize to the parents and the students," Petrone said as they left the courthouse holding hands. The alleged cover-up that led to the indictments began to unravel nine days ago, according to documents filed with the court by the Westchester County District Attorney's Office and released yesterday. Petrone, who resigned Wednesday and was charged with perjury and tampering with public records, on June 8 told an investigator from the District Attorney's Office that

YONKERS — On interim Superintendent Bernard Pierorazio's first day on the job, he told fifth-graders at School 15 that friendship was the most important thing in the world. He met with central office administrators. Then he called an auto agency to cancel the lease on the Lincoln Navigator driven by former schools chief Angelo Petrone. The luxury sport utility vehicle, which cost the district nearly \$1,000 a month, was the target of citizen criticism at a time of massive cutbacks in the state's fourth-largest district. Pierorazio, 53, said he would continue to use a district-owned 1999 Chevy Blazer that he has driven as Petrone's deputy. "It works and gets me back and forth," Pierorazio said yesterday from his fourth-floor office that overlooks the Hudson River. His appointment Wednesday

RE: SETTLEMENT REQUEST**

Dear Mr. Thomas:

Pursuant to Federal Rules of Procedure 26 (F) we are required to consider case management issues and jointly develop a Discovery Plan and report on the FRCP 26 (F) meeting. Please let me know when you are available to do this. I can meet with you in the courthouse.

Pursuant to FRCP 26 (a) (1)(A), I am awaiting a summary of the subject/ relevant information, for each witness listed in your initial disclosures.

Also, Instructional materials I brought to the school are still in the schools possession. Please make arrangements for a day when the classroom will be open so I can retrieve my belongings.

Also, pursuant to FRCP 26(f) we may entertain settlement possibilities. To this end, I would like you to consider the following facts:

- 1. Two weeks prior to termination I received a satisfactory rating,**
- 2. I tape recorded many of the harassment sessions by Mr. House. He did not follow procedure,**
- 3. I was never given a reason for the termination as evidenced in the documents and other data,**
- 4. A reason was created in retaliation to filing the law suit,**
- 5. No one deserves the public discharge that was enforced without reason,**
- 6. The children did not deserve the disruption in their educational program, etc,**

These are some facts that must be addressed whether procedurally or exposed otherwise. These tactics do not belong in education. They hurt children. They are the ramifications of contract violations and contract non-enforcement.

Moreover, the likelihood of a trial date in this matter is not viable for at least another nine months, and will of course entail increased legal fees and costs.

To this end, I ask that you consider the following settlement issues:

- 1. Reinstatement to the position with back pay, as I have no legal reason to be terminated. Probationary teachers with satisfactory ratings worked to the end of the probationary period, and acquire tenure pursuant to statutory law. I will not entertain Commerce law above Constitutional law. This will be a research based expose' or I can be reinstated with all benefits entitled to.**

OR

- 2. \$20, 000 to the students in my ESL program for the disruption of the educational process. Payments to the students would simply state your child was awarded \$1,000 in an award between Snyder v. Yonkers Public schools. Parents would sign off on payments in \$500.00 increments and provide a receipt for educational expenses, to be mailed to the court and a copy to the plaintiff. The students deserve this. They became victims, because of the ploy to destroy me. The money for ESL students is available through your current**

settlement agreement between the United States V. Yonkers Public School District. There are monies set aside for ESL instruction. The students Holiday and continuity in education were destroyed based on this matter and they should be compensated for such destruction beyond human control. They are not chattel. They are children. The money is there. The receipts would document the educational use of the money. This incentive will encourage children to study education. What better way to use education settlement money set aside for children. Please consider this.

AND

3. I am not greedy. Make an offer that will make me walk away with the satisfactory rating earned and all benefits and emoluments due as an employee and a union-paying member. Please consider the point that based on the satisfactory ratings, tenure was expected. Make a reasonable offer that you would consider, separate and above the monies for the children. If we can jointly draft a discovery plan, we can jointly draft a settlement agreement.

In closing, number 2 and 3 above work together. This offer has nothing to do with the appeal on the union. Your written response is anticipated to each of the issues discussed in this letter. Thank you.

Sincerely,

Miriam Snyder

To Whom It May Concern:

I have been privileged to know Miriam Snyder for the past 3 years. In that time she has served our school as a Curriculum Specialist for the Bi-Lingual/ESL Department and worked directly under my supervision.

It is my observation that she is very knowledgeable performing her duties eagerly and efficiently. She has an innovative spirit and infuses our staff with a wealth of new motivational activities that has encouraged greater learning and achievement by non-English speaking students.

The students and staff members of Hempstead High School will certainly miss Ms. Snyder. It is without reservation that I recommend Ms. Miriam Snyder to you for employment.

Sincerely,

Memorandum

TO: Ms. Snyder, Bilingual/ESL

FROM: Ms. E. Burke-McNair *E. B. McNair*

DATE: September 18, 1998

RE: Bilingual Student Placement

Thank you for your memo dated September 11, 1998 regarding Bilingual/ESL Student Placement.

As noted, by me, several times last school year, your efforts to make certain our Bilingual/ESL program was in compliance with state regulations is very much respected. While addressing compliance issues, you continually address student needs. To that end, the literature attached to your memo is edifying. Please provide the cabinet members with copies making your self available to address any questions or concerns emerging from their review of the literature.

During the 1997-98 school year you met with Ms. Truitt, then English Language Arts Curriculum Area Specialists, developing plans to address Bilingual/ESL student placement. For the 1998/99 school year you and Ms. Truitt's efforts resulted in the creation of courses to better service our Bilingual/ESL population. In addition, your ongoing dialogue with the members of Dr. McLaurin's Cabinet, assisted us in staying abreast of concerns regarding Bilingual/ESL student placement. Again, please note this administration is committed to supporting your diligent work as the Bilingual/ESL Curriculum Learning Specialist.

Please note the following comments are in response to the concerns you addressed in your memo. I trust they provide you with a list of staff to consult.

The bilingual classes must service students who speak little or no English. LEP students who speak fluent English, but have other language problems should be placed in ESL content classes.

Re: 3/10/00 ESL/Foreign Language Workshop: Ms. Snyder, Curriculum Specialist

Date: 3/13/00

This letter is written regarding the ESL/Foreign Language workshop titled: Integrating National and State Standards in ESL and Foreign Language Instruction, facilitated by Miriam Snyder.

The workshop was well organized, coordinated, and prepared. The materials were research based, relevant, appropriate, and up to date. The student activities were high interest, standards based, and beneficial.

The research, as usual, was current and informative. Ms. Snyder demonstrated well preparation and knowledge in the subject matters discussed. The documents compiled and disseminated were resourceful and of great value to the programs.

Again, we commend her for the presentation and professional services provided as Curriculum Specialist. Her coordination, organizational, and professional skills are greatly respected.

We have enjoyed working with her. Ms. Snyder has been an asset to the programs. Thank you for your time.

Dear Ms. Snyder:

I am in receipt of your letter dated September 4, 2001.

Without commenting upon the substantive assertions you make and, to the extent I understand your letter, you seek a "hearing" to contest what you claim was an illegal termination of your employment. To file a grievance, if such a grievance is now timely, must be done through your collective bargaining representative. If you believe a regulatory or statutory right has been violated, you would seek redress with the appropriate administrative agency or through litigation in court.

Whatever course you choose, please understand that this office does not represent you. Accordingly, we will make no attempt to achieve any of the objectives alluded to in your September 4th letter.

Very truly yours,

Court of Appeals of New York.

Attilio RICCA, Appellant,
v.
BOARD OF EDUCATION OF THE CITY SCHOOL
DISTRICT OF THE CITY OF NEW YORK et al.,
Respondents.

June 12, 1979.

Teacher brought special proceeding seeking reinstatement and back pay. The Supreme Court at Special Term, Richmond County, Royal S. Radin, J., granted petition to compel board of education to reinstate teacher to his former position with back pay and other accrued emoluments, if any, from date of termination of his services, and appeal was taken. The Appellate Division of the Supreme Court in the Second Judicial Department, 62 A.D.2d 987, 403 N.Y.S.2d 537, reversed and dismissed proceeding, and teacher appealed. The Court of Appeals, Gabrielli, J., held that board of education may not avoid proper application of state laws regulating grant of tenure to teachers and effectively increase period of probationary employment provided by law by delaying formal appointment of qualified teacher to available position which that teacher in fact already fills.

Order of Appellate Division reversed and order and amended judgment of Special Term reinstated.

Jasen, J., filed a dissenting opinion.

Tenure system is not an arbitrary mechanism designed to allow school board to readily evade its mandate by creation of technical obstacles on qualified teacher's trail to tenure, but, rather, it is a legislative expression of firm public policy determination that interests of public in the education of state's youth can best be served by system designed to foster academic freedom in schools and to protect competent teachers from abuses they might be subjected to if they could be dismissed at the whim of their supervisors.

entertain appeals by parties aggrieved by actions of school officials, and deems his determination of these appeals 'final and conclusive, and not subject to question or review in any place or court whatever' (see Bullock v. Cooley, 225 N.Y. 566, 576, 577, 122 N.E. 630, 633). However, this provision has been qualified to permit the courts to overturn the commissioner's decisions where they are 'purely arbitrary' (see Matter of Board of Educ. of City of N.Y. v. Nyquist, 31 N.Y.2d 468, 473, n. 2, 341 N.Y.S.2d 441, 445, 293 N.E.2d 819, 821, and cases cited). [EN2] And the commissioner's decisions have been held arbitrary where they contravene statutes or constitutional provisions, or countenance their contravention (see at p. 473, 341 N.Y.S.2d at p. 441, 294 N.E.2d at p. 821; Matter of Ross v. Wilson, 308 N.Y. 605, 617, 127 N.E.2d 697, 703; Matter of Ellis v. Allen, 4 A.D.2d 343, 345, 165 N.Y.S.2d 624, 627, app. dismd., 4 N.Y.2d 693, 171 N.Y.S.2d 86, 148 N.E.2d 302). To the extent then that decentralized formulation of tenure areas, free of controlling propounded standards, undermines, as suggested, the purposes of the tenure statutes, the unruly practice is beyond the commissioner's power to ratify.

EN2 Despite the suggestion in section 310 that judicial review is proscribed, the judiciary retains the power and the duty to make certain that administrative officials do not act in excess of the authority delegated by statute, or in disregard of the Legislature's prescribed standard (Matter of Guardian Life Ins. Co. v. Bohlinger, 308 N.Y. 174, 183, 124 N.E.2d 110, 113, affg. 284 App.Div. 110, 113-115, 130 N.Y.S.2d 705, 707-710).

***448 Beyond these legal and factual considerations there is an overriding principle. If the tenure statutes are to be interpreted as broadly as the commissioner urges, they are grants of power, almost arbitrary and unlimited. That the law does not permit and it has been so held with respect to the department's powers of supervision and regulation (Packer Collegiate Inst. v. University of State of N.Y., 298 N.Y. 184, 81 N.E.2d 80). There must be standards to guide a discretion as broad as that claimed by the commissioner, and those standards may be provided by regulation or by statute, if the tenure statutes are to be valid as they may be, if properly interpreted (298 N.Y., at pp. 188-190, 192, 81 N.E.2d at pp. 81-82, 83).

Again, this does not mean that vertical tenure areas

are necessarily unwise policy or are precluded by statute, only that they must be carefully implemented prospectively by the Board of *299 Regents or the Legislature. Prospective rule-making is intrinsically less dangerous than the Ad hoc adjudication proposed by the commissioner (see 1 Davis, Administrative Law Treatise, s 2.11, p. 122). Since, the Legislature vested the Board of Regents with prospective rule-making power under section 207 of the Education Law, the tenure statutes should not be read to countenance a system which will, as has been suggested, undermine their purpose.

Before concluding, it is appropriate to note that petitioner Baer's position is arguably weak from the viewpoint of his personal conduct. He did request a change of teaching subjects before acquiring tenure in his first position; he did acknowledge that he would be on initial 'probation' in his new teaching assignment; and he therefore gambled on being recommended and accepted for tenure in his newer teaching assignment. It is not wise, however, in dealing with a personnel system to have too much confidence in the 'choices' made by a school teacher who must seek and receive accommodations from his superiors. Otherwise, doctrines of waiver and estoppel could be used facily to avoid ever giving tenure. The tenure statutes are intended to protect the teacher ~~and not become a trap to those not given~~ enough to avoid it. What happened to the teacher in the Becker case (supra) is illustrative, dramatically, of how a tenure system could be manipulated to deny tenure to one who had taught for many years (**7562 N.Y.2d, at p. 116, 211 N.Y.S.2d, at p. 195, 172 N.E.2d, at p. 569).

Moreover, the tenure structure is not necessarily protective only of the teacher. If the tenure area is narrowly defined, the teacher might be entitled to refuse to teach outside the defined area (see Matter of Van Heusen v. Board of Educ., 26 A.D.2d 721, 271 N.Y.S.2d 898, Supra).

***449 Accordingly, the order of the Appellate Division should be affirmed, with costs.

JASEN, GABRIELLI, JONES, WACHTLER, SAMUEL RABIN and STEVENS, JJ., concur.

Order affirmed.

END OF DOCUMENT

petitioner is entitled to reinstatement and full back pay on the ground that he did obtain tenure, we deem it unnecessary to consider petitioner's alternative arguments.

[2] The dispositive issue on this appeal is whether it is possible for a probationary period to commence prior to the date of formal appointment of a teacher by the school board, and that is a question which we have already answered in the affirmative by our decision in Matter of Board of Educ. of City School Dist. of City of Oneida v. Nyquist, 45 N.Y.2d 975, 412 N.Y.S.2d 891, 385 N.E.2d 628, revg. on dissenting opn. below 59 A.D.2d 76, 397 N.Y.S.2d 201. That decision involved a teacher who first began teaching in the Oneida School District pursuant to a Federal program designed to provide employment during periods of high unemployment. The teaching position in which she served was a new one, and she was not appointed to that position by the board until a year after she first actually began teaching in the school. During that first year, she was paid through the county rather than by the *391 school district. Within three years of the date of appointment by the school board, but more than three years after she first began teaching in the school as part of the Federal project, the school district sought to deny her tenure. She successfully appealed that determination to the State Commissioner of Education, and we sustained the determination of the commissioner granting her tenure. In Oneida, as here, it was argued that a teacher may not obtain tenure unless that teacher has served a full probationary period, and that the probationary period cannot commence until there is a formal appointment by the ***349 school board, despite any prior period of actual service in the same period. We rejected the second prong of that argument in Oneida, and we see no reason to accept it today.[FN3]

[FN3] It may be suggested that, because we were reviewing a determination of the commissioner in Oneida, our scope of review was more restricted. Whether there must be the formality of appointment by the board, however, is an issue of law which would in no way have been excluded from our consideration in Oneida. We concluded there, as we do here, that the law does not require such formality.

[3][4][5] A school district may not avoid strict application of the statutory scheme for granting

~~tenure to qualified and experienced teachers by the stratagem of unduly delaying formal appointment of a teacher to a position which that teacher is in fact already filling. The tenure system is not an arbitrary mechanism designed to allow a school board to readily evade its mandate by the creation of technical obstacles on a qualified teacher's trail to tenure (see Matter of Baer v. Nyquist, 34 N.Y.2d 291, 357 N.Y.S.2d 442, 313 N.E.2d 751). Rather it is a legislative expression of a firm public policy determination that the interests of the public in the education of our youth can best be served by a system designed to foster academic freedom in our schools and to protect competent teachers from the abuses they might be subjected to if they **1326 could be dismissed at the whim of their supervisors. In order to effectuate these convergent purposes, it is necessary to construe the tenure system broadly in favor of the teacher, and to strictly police procedures which might result in the corruption of that system by manipulation of the requirements for tenure. This is not to suggest that the school board in this instance acted with bad faith or from any improper motive. Even "good faith" violations of the tenure system must be forbidden, lest the entire edifice crumble from the cumulative effect of numerous well-intentioned exceptions.~~

[6] Since the Legislature has deemed it necessary to create a detailed system to provide security for teachers, it follows that *392 a school district may not validly increase the requirements for tenure established by the State (see Matter of Mannix v. Board of Educ., 21 N.Y.2d 455, 288 N.Y.S.2d 881, 235 N.E.2d 892), although it may, of course, provide teachers with greater security than that mandated by statute, at least in the absence of any violation of public policy (see Matter of Schlosser v. Board of Educ., 47 N.Y.2d ---, --- N.Y.S.2d ---, --- N.E.2d ---). Similarly, a school district may not artificially increase the length of the probationary period established by State law, either directly or indirectly by unduly delaying the formal appointment of a teacher to a particular position which that teacher in fact fills.

[7][8] In the case before us, petitioner appears to have provided satisfactory service as a regular, full-time substitute for several years, although he was not qualified for appointment as a regular teacher because he was not licensed for such a position. When he finally did obtain his license as a regular teacher and was placed on the eligible list for appointment, respondents delayed some seven months before making that appointment, although, as is clear from the record, there did exist an available

COMMENDATIONS: MS. SNYDER

The ESL teacher at the *Jr./Sr.* High School has established a well-organized ESL program. The teacher has a very good command of second language and content-based ESL instructional methodologies appropriate to the linguistic and developmental needs of the LEP students. Materials are varied and appropriate. Some of her materials and methodologies could be of immense value to other staff throughout the district. The teacher should explain the goals and activities of the Newcomer Class in the description of the ESL Program, which she has prepared.

Dr. Will Singleton

Roosevelt, New York 11575

Dear Dr. Singleton:

This is the report of the January 14-15, 1997, Office of Bilingual Education visit to the Roosevelt UFSD. At that time, I and two staff of the Bilingual Education Technical Assistance Center (BETAC) of the Nassau BOCES conducted a review of the services to the limited English proficient (LEP) students in Roosevelt. I want to thank you and members of your staff for the courtesies extended to us during the visit.

The purpose of the visit was to determine the extent to which the district had implemented the requirements and recommendations presented to the district subsequent to my January 1996 visit. The context of those comments emanated from the district's implementation of Section 1.4.4 of the Corrective Action Plan and of compliance with CR Part 154. Each compliance issue or concern discussed in this report specifies the year in which it was identified as such, i.e. January 1996 or January 1997.

This latest review also has implications for the approval of State and federal funding for services to LEP and immigrant students meeting specific eligibility criteria. At this time, the district's request for State LEP Aid for 1996-97 cannot be granted because of non-compliance with applicable provisions of CR Part 154 as indicated in this report. The approval of funds under the 1996-97 federal Emergency Immigrant Education Program (EIEP) is contingent upon the district's: (1) response to the CR Part 154 compliance issues in this report; and (2) provision of a list to the Office of Bilingual Education of all eligible immigrant students, including the date of enrollment, country of origin, grade level and school building.

(4) - Section III

4. ISSUE (1997): The offering of courses in Spanish Language Arts for native speakers of Spanish.

OBSERVATION: A Spanish foreign language teacher interviewed at the Jr./Sr. High School expressed disappointment that a Spanish Language Arts class for native speakers of Spanish has never been established in order to capitalize on the higher proficiency levels of the LEP students.

RECOMMENDATION: The curriculum coordinator for the Jr./Sr. High School should explore this program option with the Principal and the Spanish foreign language teachers.

5. ISSUE (1997): Documentation that establishes the identification of a student as LEP such as test results, the completed Home Language Questionnaire and permission forms signed by parents/guardians are contained in each LEP student's cumulative folder.

OBSERVATION: Review of LEP student's cumulative folders and folders kept by the ESL teachers indicated that there is inconsistency in how required documentation is maintained. Student's cumulative folders do not contain the full complement of the required documentation which establishes their eligibility as LEP.

RECOMMENDATION: Review the cumulative folders of each LEP student to ensure that all of the required information and data is available and current. Copies of these documents may also be maintained by the ESL teachers.

III. COMMENDATIONS

The ESL teacher at the Jr./Sr. High School has established a well organized program. The teacher has a very good command of second language and content based ESL instructional methodologies appropriate to the linguistic developmental needs of the LEP students. Materials are varied and appropriate. Some of her materials and methodologies could be of immense value to other throughout the district. The teacher should explain the goals and activities Newcomer Class in the description of the ESL Program which she has prepared.

The ESL teacher at the Harry S. Daniels and the Ulysses Byas elementary schools has established an ESL program at each site where students feel comfortable and are eager to work. She has developed good relationships with the school and shares strategies with mainstream teachers to help LEP students.

To Whom It May Concern:

Ms. Miriam Snyder has worked as an ESL teacher in the Roosevelt Public Schools during the 1996-97 school year. During that time, she restructured the program at the Junior-Senior High School. In addition, she developed a handbook for parents of Limited English Proficient students. She is a very caring, talented and creative teacher. Her room is always very attractively appointed with cultural posters, flags and students' work. Her room provides an atmosphere that exudes the positive types of environment conducive to learning. Students enjoy her classes.

Ms. Snyder was commended by the State Education Department during their recent monitoring visit. They acknowledged that her work was of immense value to the program. She is truly a valued employee of the district.

I highly recommend Ms. Snyder for the position she is seeking.

Sincerely,

To Whom It May Concern:

Miriam Snyder has taught ESOL (English to Speakers of Other Languages) at the Charlotte Middle School for the past six years. During that time, I have had an opportunity to observe and evaluate her work as well as her potential for growth in her profession. Miss Snyder has excellent rapport with her students. She shows a sincere interest in them as individuals and is consistently fair in dealing with them. Miss Snyder constantly searches for ways to make her teaching more interesting and more informative. She has great control of her room and has never needed assistance from the office in matters of discipline. Her students like and respect her and are pleased to be in her class.

Miss Snyder's appearance is beyond approach, and her classroom, always brightly decorated, reflects her positive, optimistic attitude about life. I find her very cooperative when assigned special or extra work by her house administrator.

I consider her a capable and dedicated teacher and an asset to my school. I find it difficult to find young teachers with her teaching talent, ambition, and drive, and I recommend her without reservation for the position she is seeking.

Dear Miriam:

Summer is almost here and I hope you will have a good one.

This letter is to inform you, on behalf of PRYD and myself, our sincere gratitude for the volunteer tutoring you have given during the 89-90 school year. Thank you for the many hours you have unselfishly given. I am sure you have touched a child's life and made a difference. Several parents have written to me or expressed their gratitude to me for what you have done. A tutorial service using professionals of your caliber would not be economically affordable for any of our clients.

I hope that you will be able to return in the fall of 1990 or continue with a student through the summer. Whatever you choose, I thank you for your precious time and challenge you to continue your good work, especially with youth.

Sincerely,

Charles Goodridge

Miriam It has been a joy knowing that I have a tutor who is sincerely interested in the welfare of her kids. You have greatly impacted the lives of the Diaz children. You must be a great asset to your school and the envy of other teachers who don't get along too well with kids. I hope you will find time in the future and continue tutoring for us.

Allen, Snyder win

by Joan Lauro

Pamella Allen is the off-campus representative to the BSG Board of Directors with 111 votes to Arthur Albani's 103.

Miriam Snyder was elected on-campus representative to the Board with 181 votes to Richard Dixon's 140.

Students also voted 412-172 to continue membership in the Student Association of the State University (SASU).

"I need consistent input and constant backup for productivity through the Board," said Allen, who will represent off-campus students and have one vote on the BSG Board of Directors.

Allen plans to hold a "tentative monthly meeting" for off-campus students to express their problems, complaints and opinions so she can effectively represent them.

"I need to know what it is that's bothering students . . . by keeping myself informed, students will be kept informed," said Allen, who plans to research former off-campus representation for an increased understanding of the position. "I'm prepared to firmly represent off-campus students," she said.

Miriam Snyder, plans to "represent the student interests on campus in concordance with the boundaries of the position . . . I'd like to emphasize the need for student input and involvement which is quite essential for effective representation," said Snyder.

"If Richard (Dixon) would like, I'd be more than happy to work with him . . . because we're all here to make Brockport as productive as possible," said Snyder.

Extensive campaigning efforts for the SASU referendum seemed to rise out of competition with the recently-organized New York Student Association (NYSA).

"We'd like to thank the students of Brockport for voting and participating in the election process . . . we also want to apologize for the intense politicking that had to go on during the election," said SASU delegate Stu Friedman.

"We felt that we had to combat the anti-SASU campaign and misinformation that was going on," said Friedman.

Misinformation included NYSA representatives giving students incorrect dues estimations, telling students that Friedman occupied a paid posi-

tion, and also saying that communist affiliations, said, "Let's just say a lot of the information was not totally correct, ed."

Approximately 600 people voted in the fall election. "I believe less people voted in the fall election last three years," said Friedman. SASU referendum passed largest margin ever (40 percent years ago, when SASU was 1 on, it only passed by a 10 margin, said Friedman.

SASU, which will be over such statewide issues this year, drinking age, the SUNY voter registration, will also be holding local issues based on student back from general interest. The next general interest meeting will be held this Tuesday, Oct. 11.

"SASU and Brockport are having their best year ever," said Friedman. "There's going to be a lot of activism . . . Albany'd better out."

"NYSA's future is going to be short-lived, especially if some of the tactics used on campus," added Friedman.

"The extent of SASU's campaign on the referendum was due to that they were faced with surrogation from NYSA," said Sullivan, NYSA's president.

"NYSA concedes absolutely to SASU. Our organization misrepresented to many students SASU, while they overstated their accomplishments. The referendum was an \$18,000 victory for SASU's account, but a real loss for hundreds of students who wanted the opportunity to hear what NYSA had to offer," said Sullivan.

I would like to meet with you as soon as possible regarding the Synder name reoccurrence today. I am unclear as to the purpose for such. I would appreciate a date and time that is most convenient for you. I have been informed that there are no classes on Monday and that Monday classes will be held on Tuesday. I teach else where on Tuesday. Consequently, I will not be in on Tuesday October 3, 2006 because of the schedule change.

If you have time Wednesday, October 4, 2006 to meet it would be most appreciated. Please let me know via email. Thank you.

Dear Ms. Snyder:

This is in response to your recent request for certified copies of the oath of office and official bond and undertaking for Fernando Tapia, Joanthan Lippman and Jack Baer.

Public Officers Law Section 10 requires every public officer to take and file an oath or affirmation prior to the discharge of any of their official duties. The form of the oath or affirmation is set forth in Article XIII, Section 1 of the New York State Constitution.

A public officer, who is a "state officer," as defined in Public Officers Law Section 2, must file his or her oath or affirmation with the New York State Department of State. A public officer, who is a "local officer," as defined in Public Officers Law Section 2, must file his or her oath or affirmation in the office specified by Public Officers Law Section 10. Local officers are urged to review the statutes applicable to their particular office for any additional filing requirements for their oaths or affirmations.

A judicial officer of the Unified Court System should file his or her oath or affirmation with the New York State Department of State (if he or she is a "state officer") or with the office specified by Public Officers Law Section 10 (if he or she is a "local officer") and, in addition, must file a copy of his or her oath or affirmation with the Office of Court Administration.

The Department of State has searched its index of oaths of office and did not locate an oath of office for Fernando Tapia, Joanthan Lippman and Jack Baer. If you would like a certificate under seal of the Department of State stating that we have no record of these oaths of office, the fee is \$25 each.

Please be advised that the Department of State is not the recording office for official bonds. You are respectfully referred to Public Officers Law Section 11.

We hope you find this information to be of assistance.

Sincerely,

NYS Department of State

Tel: (212) 417-5800 Fax: (212)-417-2383

Dear Secretary of State Administrator, Lorraine Cortés-Vázquez:

I write this letter with respect to the attached response letter dated April 15, 2010. Attached you will find a money order for seventy five dollars for the three certificates under seal of the Department of State stating that there is no record of the below requested Public Officers oaths of office. The \$75.00 money order is for the fee of each.

I requested certified copies of the oath of office for Fernando Tapia, Jonathan Lippman, and Jack Baer pursuant to authorizing laws attached with my letter of April 2010 and pursuant to laws that entitle the public, to certified copies of their official Bond and Undertaking and Oath of Office for each position they are listed as occupying.

This request was made pursuant to the Public Officers Law, Article 2 § 10 (APPOINTMENT AND QUALIFICATION OF PUBLIC OFFICERS), where it states that:

“Every officer shall take and file the oath of office required by law, and every judicial officer of the unified court system, in addition, shall file a copy of said oath in the office of court administration, before he shall be entitled to enter upon the discharge of any of his official duties.”

Please see: <http://www.dos.state.ny.us/corps/oath.html>

In addition, this request was made pursuant to County Law, Article 24, Section 910 and Public Officer Law, Article 2, Section 11. Please also note that all request made herein are in harmony with Section 84 of Public Officer Law (Freedom of Information).

Since there is no record of the above Oath of Office and Bond, as stated in the attached Department of State letter, please issue the appropriate “certificates of no record” pursuant to Rule 4521 of the CPLR or any other official document indicating that your office has no record on file

Please mail the above request and the appropriate receipts (if applicable) to the mailing location indicated at the top of this page. Thank you in advance for your time and excellent service. This information is needed as soon as possible. I am confident that you will diligently act in the interest of the public. Again thank you.

Sincerely,

Miriam Snyder

STATE OF NEW YORK
EXECUTIVE DEPARTMENT
CRIME VICTIMS BOARD

In the Matter of

The Claim

of

MIRIAM SNYDER

DECISION ON REVIEW
BY THE BOARD

CLAIM NO. 530161

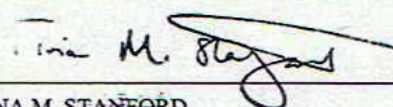

This is an application by claimant, Miriam Snyder, for an appeal of a Decision rendered on April 3, 2008 by Board Member Jacqueline C. Mattina, which disallowed the claim as the evidence did not substantiate that a crime occurred. In addition, the Board was unable to locate a criminal justice agency report of the incident.

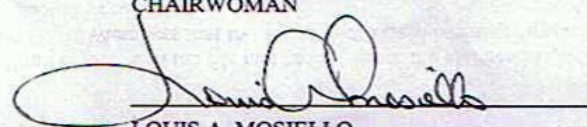

Claimant requested a telephone hearing before the Board. The telephone hearing was held on October 7, 2008.

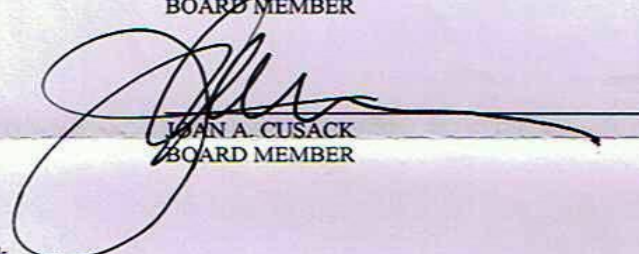

After consideration of all the evidence in the file and having heard the claimant, it is the determination of the undersigned Board Members that the decision of Board Member Jacqueline C. Mattina, dated April 3, 2008, should be affirmed.

The claimant has been unable to provide any additional information or documentation that would substantiate her allegations. There is no information to support the claimant's contention that a criminal justice agency report was filed, that she fully cooperated with the Police investigation and that she was the victim of a crime. The Board is not certain that a crime was committed.

Therefore, the Decision of Board Member Jacqueline C. Mattina, dated April 3, 2008, is hereby affirmed.

Psalm 24

1The earth is the MOST HIGH GOD'S, and the fullness thereof; the world, and they that dwell therein. 2For he hath founded it upon the seas, and established it upon the floods. 3Who shall ascend into the hill of the MOST HIGH GOD ? or who shall stand in his holy place? 4He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully. 5He shall receive the blessing from the MOST HIGH GOD , and righteousness from the God of his salvation. 6This is the generation of them that seek him, that seek thy face, O Jacob. Selah. 7Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. 8Who is this King of glory? The MOST HIGH GOD strong and mighty, the MOST HIGH GOD mighty in battle. 9Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in. 10Who is this King of glory? The MOST HIGH GOD of hosts, he is the King of glory. Selah.

“For this purpose the Son of God was manifested, that He might destroy the works of the devil.” (1 John 3:8)

- And He said to them, “Go into all the world and preach the gospel to every creature. He who believes and is baptized will be saved, but he who does not believe will be condemned. And these signs will follow those who believe. **In my name they will cast out demons**, they will speak with new tongues, they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick and they will recover.” (Mark 16:15-18)
- “Then Jesus returned in the power of the Spirit to Galilee ... the Spirit of the Lord is upon Me, because He has anointed Me to preach the gospel to the poor, He has sent Me to heal the brokenhearted, to preach **deliverance to the captives** and recovery of sight to the blind, to **set at liberty those who are oppressed**, to preach the acceptable year of the Lord.” (Luke 4:14-18)
- “Behold, I give you the **authority to trample on serpents and scorpions**, and over all the power of the enemy, and nothing shall by any means hurt you.” (Luke 10:19)
- “Then He called His twelve disciples together and **gave them power and authority over all demons**, and to cure diseases. He sent them to preach the kingdom of God and to heal the sick.” (Luke 9:1)
- “And He called the twelve to Him, and began to send them out two by two, and **gave them power over unclean spirits ... And they cast out many demons**, and anointed with oil many who were sick, and healed them.” (Mark 6:7,13)
- “And when He had called His twelve disciples to Him, He **gave them power over unclean spirits, to cast them out, and to heal all kinds of sickness and all kinds of disease.**” (Matthew 10:1)
- “But go rather to the lost sheep of the house of Israel. And as you go, preach, saying, ‘The [kingdom of heaven](#) is at hand.’ “Heal the sick, cleanse the lepers, raise the dead, **cast out demons**. Freely you have received, freely give.” (Matthew 10:6-8)
