Dear Miriam Snyder :

After reviewing the file and the evidence submitted, I have reached the following decision.

In order to receive an award from the Office of Victim Services (OVS), criminal justice agency records must show that the crime was reported to the proper authorities less than one week after the crime, unless the OVS finds good cause for the delay. We have investigated your case but cannot locate a criminal justice agency report for this incident. Therefore, this claim must be disallowed. However, your file may be reopened if you submit a criminal justice agency report that was filed within a week of the crime or, if filed after that time period, you can provide good cause for the late filing.

You may, within thirty (30) days after receiving this decision, request in writing an appeal to the Chairperson of the Board. Your request should explain the reason for your appeal and should be sent to the Board at the following address:

Dear Ms. Crump:

Thank you for the immediate response and complaint form. This letter is written with respect to harassing and discriminatory practices in the Hempstead Public Schools Bilingual/ESL office and the Hempstead Teachers Association.

The address of both entities is: 185 Peninsula Boulevard, Hempstead, New York 11550. It is my belief that there are over 500 employees and over 500 union members.

BACKGROUND:

Foremost, my name is Miriam Snyder. I have accepted the position of ESL/Bilingual Curriculum Specialist/Compliance person with the above mentioned entities. This job was offered to me based on the attached State Education report and commendation received while working at Roosevelt high school.

I was hired to develop and design an effective ESL/Bilingual educational program at the high school level that will comply with the Commissioner's Regulations PART 154 and the Hempstead Public Schools Corrective Action Plan. See the August 18, 1997 Board of Education Workstudy Docket attached.

The Hempstead Public Schools Corrective Action Plan mandated a compliance person. By virtue of this assignment, I was placed in a hostile environment. With this in mind, no recommendations were made without educational research.

I have worked in this environment for two years. I have earned satisfactory and outstanding ratings by working hard. I have had an excellent rapport with students and staff. This is my third year working with the district. The discrimination and harassment is rooted on the fact that I have earned statutory tenure by virtue of job performance and New York State traveling tenure laws.

④

2,

However, due to discriminatory practices I am being harassed and being threatened to resign by threat of continued harassment, (example: if you do not take the buy out the harassment will escalate, union member comments, slander and full pay). See attachments and tape recorded conversations.

This harassment is in direct violation of all Civil Rights. The employment practices, tenure rules, and union representation will demonstrate clear cut discriminatory, harassing, intimidating and threatening practices. All of which have no place in a professional work environment. See attachments.

The individuals involved in this matter are representatives in the union. Consequently, I can not get fair, equitable, and/or non discriminatory representation. The union has created an environment that fosters discrimination, denies proper representation to minorities, and has allowed this matter to escalate to this level.

I seek nondiscriminatory union and legal representation, employment practices based on law, and the right to work in an harassment free work environment.

Most importantly, I seek equal employment and educational opportunities for all involved.

OUTLINE OF DISCRIMINATORY PRACTICES:

Under Title VII, the ADA, and the ADEA it is my belief that intentional discrimination and harassment has occurred in the following aspects of my employment, membership, and association with the Hempstead Teachers Association and Public Schools:

1. Tenure: Use of the above practices to unlawfully attempt to extend the tenure period due to administrative negligence,
2. Discriminatory use of the probationary period as a sword as opposed to a shield,
3. Use of the probationary period as time to violate all Civil Rights associated with the above and use of tenure as extortion. Specifically, coercing individuals to sign unwarranted and unwanted tenure extension letters in exchange for a harassment free work environment. After the signature is obtained, Harassment escalates. Please note that the attached forced tenure extension letter was signed under protest. This is one of the highest levels of deceptive practices I have ever seen. Attachments and clear exhibits are forthcoming.
4. Harassing and discriminatory assignment change/demotion in direct violation

3

4,

During his year in office I had to vigorously fight to have students tested/

assessed in their native language and English. An assessment that is critical to the academic success and placement of the children. Something he did not want done. This was an unwarranted fight. We should have been on the same page See attachments.

2. Mr. Endigoyen: Former Bilingual Guidance Counselor. 1-14-98 Mr. Endigoyen assaulted me because I was doing my job and making copies. He knocked me off the copy machine, took paper out of the copy machine while I was making copies. I walked away and got more paper and he assaulted me again. He specifically said " YOU DO NOT BELONG" . I reported the incident and nothing was done because he was tenured and I was not.

The harassment continued and I reported it to the superintendent with the threat of calling the police. A meeting was called, Mr. Endigoyen made a public apology, and the resolution was that I could no longer use the copy machine, despite the fact that the other specialists were allowed to use it. I was reminded that I was not tenured so I had to accept this discriminatory policy created for me. Please note Mr. Endigoyen is the second vice president in the Hempstead Teachers Association, the union.

3. Ms. DeLopez: 1998 to present Director of ESL/Bilingual services. Despite all of my efforts to work with her effectively, she wrote an unwarranted letter to the superintendent denying tenure because of her negligence.

See attachments outlining pure discriminatory, negligent, deceptive, and harassing practices. Additionally, September 1999 Ms. DeLopez created an unwarranted ESL teacher position at the high school. She created this ESL teacher position/demotion just for me despite the fact that there was no influx of students from any country.

This is a prime example of abuse of power, malicious management, vengeance and resentment first, not children. Ms. DeLopez used district power to direct the principal to violate my contract and place me in there. Unfortunately, Ms DeLopez was not familiar with employment agreements/contracts. This is gross harassment, breach of contract, and intentional discriminatory practices. No other Curriculum Specialist, particularly a non minority Specialist, would the union allow this type of planning. See attachments dated September 1999.

4. Ms. Fernandez: Ms. DeLopez 's mentor, is the bilingual guidance counselor at the high school. She refuses to comply with the Commissioner Regulations, PART 154 . This creates a hostile work environment. The hostility is exemplified in all areas of compliance, specifically, student placement and time in the bilingual program.

7

THE BELOW COMPLAINT WAS FILED WITH THE US DEPARTMENT OF JUSTICE AND THE EEOC. IT WAS FILED PURSUANT TO USC TITLE 18 CONSPIRACY AGAINST RIGHTS AND DEADLY WORKPLACE CREATION SEPTEMBER 1999

5.

She placed students in the bilingual program based on ethnicity as opposed to clear cut regulations, and or documented student abilities. She placed students in the bilingual program for over three years, without any waiver, against their will and want to learn English.

Ms. Fernandez created overcrowded bilingual classes. She masterminded the system so that no one could rationalize, reason, or provide proficiency scores or documentation that could substantiate student placement in bilingual classes.

Ms. Fernandez used the educational programs to promote racist and discriminatory practices that intentionally separated Hispanic students from the general population regardless of student abilities, Commissioner Regulations, and parent wishes. See the attached letters from parents. When I first started working students would beg to take a regular English class, beg to get in the correct ESL level classes, and beg to take regular courses. The students brought notes from their parents. I had to fight with the parent notes to do right by these children.

Student scores were unusually low under the leadership of Ms. Fernandez, but she maintained the segregated environment she wanted. Students had never taken an English class outside of ESL, parents sent letters requesting an English class for their children. See attachments. Haitian, Indian, Chinese and any other language group student was intentionally left to sink or swim in content classes under the guidance and advocacy of Ms. Fernandez. There were no services, guidance, or help for non Spanish speaking ESL students.

Ms. Fernandez is the counselor who sought and continues to seek vengeance on students because they have opted out of the bilingual program, who places Haitian, Chinese, and Indian students in mainstream courses without mentioning any academic concerns as she does for Hispanic students.

Ms. Fernandez who by actions and attached evidence exemplify bias and discrimination by placing the majority of illiterate and or level one non English speaking students in ESL teacher classes that she does not like or are not Hispanic or a certain type of Hispanic. She places advanced level students and schedules smaller classes in ESL Teacher classes that is/are her friends and are of her same descent. The discrimination she fosters separates Hispanic even on their race. You have to be a certain type of Hispanic for acceptance with her. It appears that there is a resentment for Cubans.

8

6.

The Cuban male ESL teacher does not get equitable ESL classes either. Every year, coincidentally, he gets the lower level ESL classes, majority of Haitian students, overcrowded, and illiterates. This year she deviated a little bit and gave some of these students to the Chinese teacher. Despite the fact that they are ALL lovely GOD sent children, this racist places them to get revenge on teachers for not being a certain ethnicity! This is sick and mandates investigations.

Ms. Fernandez placement and scheduling patterns are based on racist tactics that can be proven in past and present practices.

This year she placed an overwhelmingly large amount of boys and level one students in one of the ESL teacher classes that she does not like. This teacher is not Spanish or American. The class is overcrowded and has been scheduled as such based on malice.

Ms. Fernandez maliciously conspired to keep the ESL/Bilingual program dysfunctional by continuing to misplace students and interfering with any and all structured programming issues. This was done so the state would come in and see no change despite the fact that a compliance person was hired.

Ms. Fernandez intentionally created and designed educational programs that promote discrimination, a higher drop out rate, an inability to read/write English or Spanish proficiently, low reading, writing scores, etc..

Ms. Fernandez intentionally obstructed the educational process to maintain dysfunctional and malicious control over the ESL/Bilingual program. She used her ethnicity and tenure, not knowledge, documentation, research, Commissioner Regulations, to interfere with the job of Compliance person/Curriculum Specialist/ and to refuse to comply with the regulations and Corrective Action plan.

Ms. Fernandez is a personal friend of Ms. DeLopez and has used Ms. DeLopez position to create conditions that reduce her workload, intimidate students, and maintain students in improper classes.

She kept administration unaware and uninformed of all matters associated with ESL/Bilingual programming. As I tried to educate and inform administration and staff on ESL/Bilingual state and federal guidelines and information, she developed a severe resentment of me. She interfered with my job several times and never substantiated any of her concerns with research, documentation, or regulations that supported her concerns. She intentionally sabotaged every effort made to educate and inform staff of compliance issues.

9

7.

She maintained an intentional discriminatory environment of segregation. The only people she wanted to know about ESL/Bilingual programming were native born Hispanics. She wanted the administration to maintain a dependency on her for verbal information regarding ESL/Bilingual programming.

Finally, Ms. Fernandez is an active member in the union and used union information inclusive of staff and student phone numbers to slander my name, all in an attempt to intimidate, harass, and force a resignation. An investigation will show that Ms. Fernandez has attempted to assassinate my character for no other reason than my background and expertise in ESL/Bilingual programming, my color, and national origin.

She has made public comments such as " it will be a rainy day in hell before a Nigger, black American, gets tenure as an ESL Curriculum specialist ". I am living the ramifications of her comments. She meant it and has designed techniques that would kill any one professionally and personally. Despite these efforts I will still do my job to the best of my ability.

However, this year September 1999 compliance issues have worsened. The children tell me Ms. Snyder I am still in ESL2. I took ESL 2 last year. Why don't they place me in the correct ESL class. I told the students all last week, bring me a note from a parent. The children are scared this year. They will not bring a note from the parents as they did when I first came here. They are upset about the ESL class placement, but will not bring a note.

Also, teachers used to come to me regarding valid placement changes. They would provide notes with student time in the U.S, LAB test scores, and other relevant information for placement changes. This no longer happens. Ms. Fernandez has masterminded the system again. She is destroying the program at the expense of the children to get me back or put me in my place and to let me know I am only a — to her, despite my efforts.

The climate is clear. No matter how much research, knowledge, ESL/Bilingual experience, expertise, I use to structure the program, I am still a black woman. So people should not comply with regulations because of this. What other reason does Ms. Fernandez, Ms. DeLopez, Mr. Morales, have to work against me. We should be on the same page. We should develop an ESL/Bilingual program that will raise test scores in English and Spanish. We should monitor the Compliance list and monitor LAB test scores and develop strategies that will reduce year after year LAB test scores of one.

I have done this all my life. Monitor reading scores of non English speaking students and make sure you see an improvement or redesign your reading program. I have taught Hispanic, Turkish, and Haitian students that have arrived in the United states with NO English whatsoever. The language of instruction with proper methodology was English. These kids came to me in 6th

10

grade and by eighth grade exited out of the ESL program scoring above the 40th percentile. No miracle happened. These students were taught and placed in small enough classes to let their abilities shine despite the inability to speak English. The programs were structured well and based on research and not opinions.

The bilingual program is excellent for newcomers to the United States if structured properly and in accordance with the commissioner regulations. But Ms. Fernandez places newcomers in the same bilingual class with students that have been in the bilingual program for almost 10 years. Wouldn't it make sense to service the newcomers in the bilingual program together and mainstream English fluent students with 3 years or more in ESL content classes?

Ms. Fernandez has developed multilevel, mixed up, unsubstantiated, bilingual classes. All the administration knew was that they were in bilingual classes because the counselor said so.

Also, please note all last year I read the school announcements every morning. People complimented my voice. They really felt I did a good job at this. I enjoyed doing this to. I took pride in doing this for the school because so many people encouraged me. Guess what? I no longer do the announcements. The secretary does. She follows the pattern I developed, which lets me know I did my job in influencing. However, It appears to me if you do not go along with Ms. Fernandez whether right or wrong, you will suffer ramifications. Why was this assignment taken from me? I really received a lot of compliments.

5. Letter from SAMUEL DONATO date 4/28/99. This is man I had never met and he just joined in with the harassment. In his letter he threatened to bill student textbooks to me personally. Again, this letter exemplifies extraordinary and intentional harassment, discrimination, and arbitrary treatment. If there was a problem, should he introduce himself to me or contact the principal.

6. Mr. Keef, Union President refused/ and refuses to represent any of my grievances that would and/or could have reduced much of the harassment noted. See grievances dated March 26, 30, and 9/9/ 1999.

Mr. Keef has conspired ways to simply not represent me fairly. September 1999 I went to Mr. Keef regarding an arbitrary, harassing, and discriminatory ESL Teacher assignment and demotion created maliciously by Ms. DeLopez. He intentionally misinformed me. He told me my contract was invalid, null and void. I told him I was taping him and thereafter I was offered a written proposal to resign with full pay.

Why weren't the grievances filed? Why can I not get fair and equitable union representation? Why was I offered a settlement instead of proper union representation, filing the grievances? Why is the union working against me?

11

9.

What have I done to the union that warrants unfair treatment? Are the bilingual counselors, which are union officials, using the union to work against me despite their duty and obligation to represent members fairly.

Also, please note that the union has a disproportionately high number of non African American and/or Hispanic Curriculum Specialists with several years of service. Not one of these curriculum specialist have been treated like this.

In fact, one Caucasian Curriculum Specialist just retired after serving several years as Curriculum Specialist. To serve long term as Curriculum Specialist one must be non minority, in a majority minority school? What criteria was used that would make me think my contract is null and void?

What lawful reason I should I have that would make me think I am not good enough to be a tenured ESL/Bilingual Curriculum Specialist? I was good enough for the last two years and now the issue of tenure arises and I am not good enough? Am I held to some level of accountability other union members are not held to?

Should I believe this is just a coincidence? Is there any reason I should pay union dues and not get any representation for grievances whatsoever? Is my money different from the other people?

Also, I have noted a disproportionate amount of non minorities being represented by the union whether right or wrong. Whereas, teachers who are minorities, such as myself, are not receiving equitable representation by the union. Too many teachers that look like me have to go to outside sources for help. In this particular situation, I should have had full support from the union in implementing the ESL/Bilingual Commissioner regulations.

If I did not do my job, the bilingual office would have gladly called the state or the state would have miraculously showed up.

The district would have been cited again. The only difference would have been that I would have looked like I was wasting district monies doing nothing.

Since I did not allow this to happen, I get no union representation. Something is grossly wrong. I am being harassed for TRYING TO IMPLEMENT THE ESL/BILINGUAL COMMISSIONER REGULATIONS PART 154, EXACTLY WHAT I WAS HIRED TO DO. This was a no win situation. When I did my job, I was hated but offered a salary in exchange for TENURE. If I did not do my job, I would have been terminated.

I did what any reasonable person would do, do the job to the best of your ability and use research and the Commissioner's Regulations to substantiate any and all work.

12

16.

I have been informed that the union has intentionally singled me out and conducted a malicious investigation to destroy, devour, and force me to leave. In fact, staff members have informed me that the union has used falsified slanderous information obtained from an attorney I sued and won to slander, harass, and force me to move. Some of this information I have on tape.

I want the union to clearly understand that I am a hard worker and I will not become a jumping jack, despite the malicious and threatening acts conducted. I will leave the curriculum specialist position when destiny says it is time, not when continued threats of harassment, induced nervous breakdowns, and pure unlawful practices manifest.

The amount of hate and racism associated with my tenure as curriculum specialist is unbelievable and should not be allowed in any work place. This is why I have contacted this office, for professional assistance in obtaining equal treatment, competent union representation, and dismantling of discriminatory practices.

Must I accept that racism, discrimination, and pure malice are acceptable education and employment practices in public schools? Can something be done that will ensure students a successful non discriminatory educational experience and staff a safe, non discriminatory, non harassing, non retaliatory and non racist work environment?

I respect my job and my right to work in a civilized, non intentionally discriminatory environment. The union has the power to regulate each grievance discussed and I ask to be granted fair and competent representation by the union. The union attitude "of let them kill themselves" must be corrected. The union has great power in non minority districts. There is no reason why this power should not be utilized in a minority district.

Attached you will find a chronological list of harassing, retaliatory, and discriminatory practices. Your professional assistance in dismantling these practices is greatly appreciated.

Also, I have attached samples of my work and letters from staff members documenting my performance as curriculum specialist.

May the record show that Hempstead public schools used my services and rated me excellent for two years. Consequently and miraculously, all of a sudden, an issue of tenure erupts and the union wants me to believe I have no legal rights.

I have worked hard and I do have legal rights. I will not volunteer to fire myself. If the union or district has grounds for termination, where are they?

13

11.
I will not be used by the union to cover up discriminatory and harassing practices. *Ya subterfuge again*

Something has to be done to dismantle union use of mental assaults, induced nervous break downs and harassment to force people out to cover up discriminatory practices. The money and the power within a Union must be used to help ALL teachers and not some. This in itself with proper representation will curtail racist practices in the work place.

This entire matter and the handling of this matter is an underestimation of the intelligence of a group of people and every individual in the school community. The system allowed and encouraged a work environment of discriminatory warfare using the tactics, strategies, and leadership of an out right racist, Ms. Fernandez.

Today is 9/27/99. I have tried to work with the system. I have not spoken to Mr. Keef regarding the buy out he offered me because I asked for union representation regarding the demotion. I have continued to do my job.

However, the climate is clear that conditions will be created that will not allow me to do my job. An example of this is the fact that none of the ESL books have been ordered. The union representative wife is in my department. All of the books for foreign languages have been ordered and received, despite the fact that the ESL book orders were submitted with the foreign language book orders.

The ESL/Bilingual department will hurt the children by not ordering books to spite me. This is malicious management. Last week I wrote an extensive book order for the new Language Mastery class. Ms. McNair has informed me the principal will not sign it. I explained to her that I have done my job by writing the book order. There is nothing else I can do.

Ms. McNair has also informed me that my office will be moved to the basement. I explained to Ms. Mc Nair that I have a safety concern regarding this move. The section in the basement where they would like my office is isolated. There is minimum security. In light of all this harassment, this move encourages danger. Any dangerous incident appearing coincidentally could be well planned out to look like a slanderous accident. This type of accident would distort the true focus of discriminatory and harassing educational and employment practices.

Additionally, Ms. McNair has forwarded a memo to staff identifying me as their immediate supervisor. I explained to Ms. McNair that for the last three years I have been the Curriculum Specialist and no one's immediate supervisor. This type of intentional misinforming staff serves to only cause havoc in the building. Ms. McNair was just kicked out of the middle school for this same type of havoc.

12,

Why has she joined in? Whatever the reason it has no place in the work place. Also, the threat of staff members having induced nervous breakdowns is prevalent. I refuse to work under threats, bribes, extortion, salary/money. If the district did not want me to do the job I was hired to do, then why did they solicit me from Roosevelt high school based on my state rating. They want me to sit and do nothing so I can be fired. Since I will not allow this to happen, I am being intentionally harassed and discriminatory practices encouraged. I had hoped the system could correct itself but I see it can not. This is why I have no other choice but to send this letter. I am fighting for my life, health, and income, which is a property interest at this point.

I forfeited tenure at Roosevelt high school to accept this assignment. I had worked hard and now in my third year they are creating threatening conditions. The district can not continue this. I have a contract, have worked hard, and have earned traveling tenure based on NYS laws.

In summary, the past ESL/Bilingual program design at the high school was ineffective in that it had no structure or organization whatsoever. Students were not placed in English classes, only ESL, student test scores were unusually low, the drop out rate at the 11th and 12th grade was high, ESL students could not pass basic RCT tests at disproportionately higher rate than other ESL students across the state.

Students had all the credits to graduate but could not read, write or speak enough English to pass tests needed for graduation. Students were placed in the bilingual program for more than three years, without a waiver, against the wishes of the parents.

Students were held hostage in the bilingual program and many years that the Office of Civil Rights " Opt Out Letter " was not given to parents or students. The compliance issues at the high school level were simply not adhered to. This is why I was hired as compliance person.

The ineffectiveness of the program was noted in the compliance report and in all of the above. The State Education Department Compliance report and the Hempstead Public Schools Corrective Action Plan mandated a compliance person for the high school. I was placed in an educationally unsound and hostile environment that allowed and fostered intentional discriminatory practices based on race, ethnicity, color, and national origin.

Additionally, I am sending only a copy of this complaint to other human rights agencies because of the amount of copies involved. There are too many documents involved. However Each district administrator has been served with the initial complaint. Attached is a \$ 62.00 receipt from kincos used to inform administration of the discriminatory practices.

15

13.

The attachments of 190 pages and the commendations/ accomplishments letters A to EEB are being sent to the EEOC, World Trade Center and the Equal Educational Opportunity Center in Washington D.C. The numbers and letters for each exhibit are in Dark Black magic marker.

Copies of the complaint will be sent to the following :

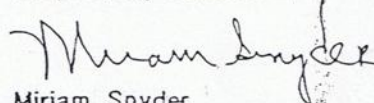

Human Rights Office, Mineola,
NOW Office: National Organization For Women,
The Children's Defense Organization,
Lawyers For Civil Rights, ACLU.

I can only send one set of copies of the attachments, pages 1 to 190, and the pages lettered A to EEB. I am sending an original and written complaint to EEOC with 4 copies of the charge and written complaint as requested.

Help is needed. Justice has to prevail. The harassment and clearly outlined discriminatory practices must be dismantled. I look forward to your professional assistance in obtaining proper/fair union and legal representation that will facilitate equal educational and employment practices.

On behalf of children, a professional and safe work environment, equal education and employment practices, I courageously and faithfully appreciate your professional assistance. Thank you for your time.

Respectfully submitted,

Miriam Snyder

CRIMINAL COMPLAINT FILED PUSUANT TO A DEADLY AND ONGOING CONSPIRACY AGAINST RIGHTS . THIS WAS FILED WITH THE US DEPARTMENT OF JUSTICE CIVIL RIGHTS CRIMINAL DIVISION.

To: Mr. Keefe, HCTA President
From: Ms. Snyder, Curriculum Specialist
Re: Meeting on 11/22/99 with Attorney Gallinson
Date: 11/23/99 ✓

During the above meeting, attorney Gallinson, union lawyer, stated that he could not represent me because I filed a Human Rights complaint against the union for discriminatory, and/or no, and/or unfair treatment and union representation. He clearly stated that this defense from harassment and improper employment practices constituted a conflict of interest in his opinion.

Being that he has stated that there is a conflict of interest, and he has an allegiance to represent you, whether right or wrong, I am left again without any union or legal representation, despite the fact that I pay union dues. Consequently, I need to be granted a fair chance to protect my income, which is a property interest.

A referral to a neutral non conflict of interest NYSUT attorney is needed for the handling and correction of the improper employment practices mentioned below. If anyone feels that the following employment practices are proper, they can not represent anyone fairly.

I explained to you that many improper employment practices were occurring and I asked for assistance (a grievance to be filed) and nothing happened. My grievances were ignored.

Some of the improper employment practices were related to :

- Discriminatory Tenure Denial Attempt By Staff,
- Teacher Ratings: Penalties For Outstanding/Satisfactory ratings,
- Personnel Records: Missing Exemplary Administrative Ratings From Personnel Files: Letter and Attachments Resubmitted To Personnel dated 11/14/99,
- Personnel Records: Newly created slanderous, falsified, harassing, unsubstantiated memos written to coerce a resignation by the principal dated: 10/29/99, 3 falsified letters created in one day all dated for 10/27/99; 10/26/99, and 10/20/99. Your assurance of removal and/or non submission without employee signature is noted and appreciated.
- Salary Schedules,
- Involuntary Employee Leave Recommended by you,
- Retaliatory Move of My office,
- Continuous Harassment and intentional discriminatory program sabotage,

18

CRIMINAL COMPLAINT FILED PUSUANT TO A DEADLY AND ONGOING CONSPIRACY AGAINST RIGHTS . THIS WAS FILED WITH THE US DEPARTMENT OF JUSTICE CIVIL RIGHTS CRIMINAL DIVISION.

Even if the district was wrong with some of the above acts, this left no reason for the union to overlook these practices. Furthermore, this left no reason for the union to ignore each grievance filed against each improper employment practice noted above. Two wrongs have never made something right.

If any of your facts indicate that ignoring the above practices is not discriminatory, arbitrary and capricious treatment, and/or representation, please let me know. If your facts indicate, that ignoring each grievance filed above is fair representation and non discriminatory please let me know.

I have no interest in wasting anyone's time that does not want to represent me fairly. If you believe the above matters can be regulated in a non discriminatory , timely, cost effective manner, please do so.

But to exemplify, discriminatory, arbitrary, unfair, sometimes no representation, and thereafter pose questions to me as if I did something wrong by requesting that the Human and Civil Rights violations be investigated and stopped, is incomprehensible.

Could you please treat and represent minority teachers and specialists the way you or any similarly situated educator would want to be treated?

If the above practices were grieved, addressed, and/or corrected in any type of chronological, timely, or any manner there would be no valid Civil or Human Rights claim now. Mind you, I still have no place to work. But I have been reprimanded for filing a claim.

If there were any good intentions, the harassment would have stopped. Proper working conditions would have been in place. An environment for student testing would have been secured. Students would have been tested. Student placement would have improved. The above practices, to say the least, would have been grieved by now. Time is being wasted at the expense of minority children and staff such as myself. The union has the power by virtue of filing timely grievances to address and regulate the improper employment practices noted above.

Again, my hands are tied. I am put in a situation where I must defend myself. In defending myself, I am pitted against you. Any reasonable person would do what I have done. There is no rational reason for the above practices and/or lack of representation.

If the union did its job of fair representation, no claims would be filed. This is another attempt to expedite the grievance process in addressing each issue above as it negatively impacts the entire school community.

Could you please file a grievance regarding no where to work effective immediately? Could you please refer me to a NYSUT attorney that can represent union members without creating a conflict of interest? I am like anyone else, entitled to fair union representation, proper working conditions, and fair labor practices. Anything less, is in violation of the Taylor Law, Human, and Civil Rights.

Should your records indicate anything different, please let me know.

This is an attempt to correct the issues in the complaint filed. Could you please file the grievances above and discussed as soon as possible? A referral to a NYSUT lawyer is needed to address the newly developed tenure issues disputed by attorney Gallinson and you.

(19)

CRIMINAL COMPLAINT FILED PUSUANT TO A DEADLY AND ONGOING CONSPIRACY AGAINST RIGHTS . THIS WAS FILED WITH THE US DEPARTMENT OF JUSTICE CIVIL RIGHTS CRIMINAL DIVISION.

Again, I never received any tenure denial letter whatsoever from the superintendent , as required by law. A NYSUT attorney is needed to confirm the tenure status granted by New York State Education Laws. I will be treated, rated, and reap the same benefits of a secure income like any other similarly situated hardworking educator.

In closing, a place to work, proper work conditions, filing of the grievances noted above and discussed, a referral to a non conflict of interest NYSUT attorney (of my choice), a written response in a timely manner, and the opportunity to do the job I was hired to do will be greatly appreciated. Please let me know what I can do to facilitate your representative and educational agenda. Thank you for your time.

CRIMINAL COMPLAINT FILED PUSUANT TO A DEADLY AND ONGOING CONSPIRACY AGAINST RIGHTS . THIS WAS FILED WITH THE US DEPARTMENT OF JUSTICE CIVIL RIGHTS CRIMINAL DIVISION.

To: Ms. Sherwood, HCTA
From: Ms. Snyder, Curriculum Specialist 
Re: HCTA Contract Article- Grievance Machinery And Procedures
HAND DELIVERED AND MAILED CERTIFIED RETURN RECEIPT
REQUESTED
Date: 1/24/00

According to the above section of the contract, it states clearly " it is important that each grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process".

My records indicate that since October 1999 I have been an aggrieved person. I have filed several grievances in a timely manner. I am being forced to waste government monies by not having a place to work.

This is clearly in violation to the contract and all labor laws associated with organizational efficiency.

The contract clearly states the importance of timeliness. To this end, November 12, 1999 you contacted the principal about me not having a place to work. Thereafter, according to the contract, the matter went to level 2, being that I am still a victim of not having a place to work, the matter is still unresolved and went to the board of education by December 1999, according to the contractual time lines.

To this end, the matter has passed the contractual and procedural timelines for building and district regulation. I respectfully request a written date for arbitration.

I will no longer tolerate HCTA use of my union monies to breach my contract and willfully misrepresent and neglect contractual timelines.

Should I not receive a date for arbitration upon receipt of this letter, I will file a complaint with the United States Department of Labor, United States District Court and the ACLU.

I have an employment contract that was negotiated by and with the HCTA. I have worked hard towards fulfilling the requirements of this contract. It will be respected and enforced by any means necessary.

The use of my union dues to facilitate a hostile environment to destroy and devour my work to cover up discriminatory employment and educational practices, corruption, and political appointments will not be tolerated.

A timely written date for arbitration and equitable representation is demanded or a court order dismantling HCTA based on corruption, breach of contract, and willful neglect of duty will be sought.

The contractual written date for arbitration and equitable representation is anticipated. Your professional attention to this matter is appreciated. Thank you.

Dear Ms. Snyder,

Thank you very much for all of the materials you sent me. I apologize that it has taken me a while to get back to you on this. I have just had a chance to read through everything. I am sorry for all the trouble you are going through, but sadly not surprised. It seems that you have quite a complicated situation here. I understand that you are pursuing the employment discrimination matter on your own through your union. I would also suggest contacting a labor attorney for advice.

I was also very concerned regarding the matter of proper placement for language-minority students. I have sent you some of our Parents' Guides which explain that parents in New York have the right to remove their children from bilingual or ESL programs and request a proper placement. Please let me know if you need more of these guides.

As you know, I work with a lot of attorneys and parents around the country on similar situations. If any of the students you mentioned continue having problems and are interested in legal assistance please let me know. We have limited resources and I can't promise anything, but I will try to help in any way that I can and get these students free legal assistance if possible.

Sincerely,

Jorge Amselle

THE BELOW FORESEEABLE CRIMINAL COMPLAINT WAS FILED WITH THE US DEPARTMENT OF JUSTICE , EEOC AND THE LOCAL HUMAN RIGHTS OFFICE REGARDING USC TITLE 18 CONSPIRACY AGAINST RIGHTS AND ATTEMPTED MURDER PROGRAMMINGS

Hempstead, New York 11550

CERTIFIED MAIL RETURN RECEIPT REQUESTED

Dear Dr. McLaurin:

The purpose of this letter is to inform and document the need for a safe work place for teachers. Most importantly, to request professional assistance in dismantling an intentionally hostile and violent work place Ms. Fernandez has/is creating in the high school.

Today, Ms. Fernandez approached me four times with intent to cause an altercation and unnecessary havoc. This morning when I entered the school in the main office, Ms. Fernandez walked directly up to me and told me to vote cope, and make sure my vote gets in. I told her I would consult with Ms. Sherwood or one of the other representatives regarding this. She replied make sure you do. You can consult any one you want. I told her thank you for the information.

Later that day I saw Ms. Fernandez in the hallway, next to the guidance office she walked next to me and said under her breath but loud enough for me to hear, she said "Black bitch". I kept walking and said this to shall pass.

Later that day Ms. Fernandez referred Ms. Highsmith to me regarding a student that speaks no English whatsoever and was placed by Ms. Fernandez. The teacher was concerned that the child spoke no English and could not pass the midterm. The child was educated under the guidance of Ms. Fernandez.

I explained to the teacher that I could do nothing to help but to continue advocating for proper English classes for LEP students. I recommended that the teacher revisits Ms. Fernandez and suggest that she places children in an environment where the child has a chance to learn English, at his/her proper level.

This referral regarding problematic situations created and instituted by Ms. Fernandez has no place in the work place. The referral was unwarranted and serves to cause nothing more than havoc. There was nothing anyone could do to teach the child English overnight. He should have been guided to take

THE BELOW FORESEEABLE CRIMINAL COMPLAINT WAS FILED WITH THE US DEPARTMENT OF JUSTICE , EEOC AND THE LOCAL HUMAN RIGHTS OFFICE REGARDING USC TITLE 18 CONSPIRACY AGAINST RIGHTS AND ATTEMPTED MURDER PROGRAMMINGS

appropriate courses all along, proper courses that will help him learn English and function in mainstream classes in a timely manner like all other ESL/Bilingual students across the country.

Ms. Fernandez is now mimicking the situation she has placed students in and using my name to make it appear that I can correct the damage done. Passing the load, by telling the teacher to see me, is another mimic of public education and the system that allows this guidance counselor to misguide, not guide, and destroy student potential. I perform no miracles and consequently should not have been involved in this matter.

Later that day, Ms. Fernandez saw me in the hallway by the main office. I was sitting on the furniture outside of the main office. There was lots of sitting space. Ms. Fernandez virtually sat on my dress and almost on top of me. There was lots of sitting room away from me.

I found this uncalled for, provoking, and intentionally done to incite an altercation. All being done to cause a violent situation. I will not partake in this. This letter shall serve as notice that I am trying to prevent this.

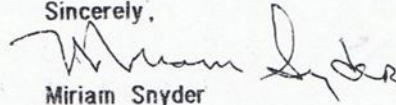

I respectfully request that Ms. Fernandez cease contact with me until the discriminatory, racist, lack of guidance service by Ms. Fernandez, complaints pending are investigated.

Concerns regarding ESL and Second languages go to Mr. Hickey, the supervisor. Thereafter, I will be informed of any professional service needed. Please review the protocol chart with her for an orderly and safe high school.

I have been assigned here to work towards helping children obtain the best equal education Commissioner Regulations PART 154 entitles students to. I will partake in nothing less than this.

These altercations and personal hang ups have no business in the work place. They threaten the safety of teachers. Your professional assistance is anticipated. Thank you.

Sincerely,

Miriam Snyder

MEMORANDUM

TO: Ms. Carmen DeLopez
FROM: Mr. Robert L. Hickey, Assistant Principal *RLH*
DATE: March 13, 2000
SUBJECT: MS. MIRIAM SNYDER / CURRICULUM SPECIALIST

On Friday, March 3, 2000, a meeting was held at the High School with you, Dr. McLaurin, and I. It was at this meeting that I heard for the first time, that Ms. Snyder's immediate supervisor was you. This was a surprise to me! The reason being is that the Hempstead High School table of organization for 1999/2000 (attached), clearly indicates that Ms. Snyder was under my immediate supervision. No one ever told me anything different, nor did I receive anything to the contrary in writing. On March 13th, I received several copies of memorandums written by you charging Ms. Snyder with insubordination and recommending her termination. Also included were the minutes from a meeting held Thursday, February 11, 1999 to discuss concerns at the High School about the Bilingual/ESL table of organization.

The following is a quote from those minutes:

"I explained that the State Education Department had earlier said to the School District, A curriculum specialist should be assigned directly to the High School to oversee the Bilingual/ESL program." I wanted to emphasize to Ms. Snyder that as of today, her immediate supervisor would be Carmen DeLopez, District Director of Bilingual/ESL and to Dr. McLaurin that Ms. Snyder would be housed in the Senior High School but would be directly under the supervision of Ms. DeLopez." (see attached)

This is the first bit of written information that I received regarding a change in the supervision of Ms. Snyder.

In a phone conversation I had with you, Thursday, March 14th, you requested that I share with you my evaluation of Ms. Snyder's performance while under my supervision. It is my professional opinion that Ms. Snyder is competent and very knowledgeable in her subject areas. She performed her duties with a high degree of professionalism and often went above and beyond the call. During my time here at the High School, Ms. Snyder might be the first person that I interacted with, to demonstrate such a tremendous knowledge of the State regulations regarding the Bilingual/ESL program.

At your request, I have enclosed several samples of Ms. Snyder's work.

I'm saddened to hear that you are recommending that Ms. Snyder be denied tenure and even further, that she be terminated.

To lose her would be extremely unfortunate.

Re: Tenure Status/ Statement of Reasons For Termination/Due Process

Dear Dr. McClendon:

I am in receipt of your letter dated March 24, 2000. I find this letter in violation of New York State Education Law 3012 (1) (a) states:

“Teachers shall be appointed for a probationary period of three years, provided, however, that in the case of a teacher who has been appointed on tenure in another school district within the state and who was not dismissed from such district or board the probationary period shall not exceed two years (emphasis added)”.

The language is plain and the meaning unambiguous and applies wholehearted to this matter. Because of my previous tenure in New York, the acquired term of my probationary service had been reduced from three years to two years. The statute itself is self-executing. After September 1, 1999, I acquired statutory tenure.

This is why I was offered the proposal to fire myself for free money, to circumvent statutory tenure. Thank God I did not accept the free money and chose to work hard despite the harassment and maliciously hostile work environment created.

I have a contract with an explicit tenure provision demonstrating clear evidence of a formal understanding of entitlement to continued employment unless sufficient cause is shown. Perry v. Sindermann, 408 U.S. 593 (1972).

As the Supreme Court explained in the Sinderman case, a teacher may acquire tenure “by custom”. In such a situation, a teacher’s right to tenure is not formalized in a written contract but is implied from the circumstances of employment. When a teacher can prove an expectancy of continued employment, (my contract has a tenure date, I

would not have accepted employment without it) the teacher has a property interest in job tenure that is protected by the due process clause of the Fourteenth Amendment.

Any notice of termination without a hearing is unconstitutional. I cannot be terminated or notified of termination without a hearing. This is not due process. My income cannot be played with in this manner. There are tenure procedures for dismissals and I expect them to be followed. State law has established my right to tenure. I have worked beyond the 2-year probationary period and the board failed to take any action against my title and tenure as Curriculum Specialist.

The board acted on falsified information Mr. Keefe presented, an extension for ESL teacher. I was not hired as an ESL teacher. I would have stayed in the position of ESL teacher when I was recruited. I did not come to Hempstead for a lateral change in employment.

The board never extended the probationary period for Curriculum Specialist. Consequently, despite the deception Mr. Keefe presented to the board, tenure, as Curriculum Specialist was never extended and has been acquired. The attempt to manipulate the requirements for tenure was a violation of the tenure statutes (see matter of Baer v. Nyquist, 34 N.Y. 2d 291, 357 N.Y.S.2D 442, 313 n.e.2d 751).

I was recruited from an ESL teacher's position. I accepted a contract as Curriculum Specialist. Manipulative, deceptive, and coercive practices to exploit, tamper, and retaliate against my tenure status as a curriculum specialist because I informed administration of educational violations committed by a union representative, are unacceptable.

Reflecting back on the notes you will see that on 2/4/99 I informed administration, in good faith, of unlawful vindictive educational practices against children, the intentional removal of ESL students from ESL classes. Immediately thereafter, on or about 2/11/99 administration retaliated against me for informing them of these practices by violating the contract and changing my supervisor, to the guidance counselor's friend, Ms. DeLopez. The purpose of this contract violation and change in supervision needs to be revisited. Questions need to be answered as they directly impact on my employment status.

What was the motive in this intentional change in supervision and contractual violation? What precipitated this? If this is not retaliatory, what is it? Is it good luck for whistle blowing?

Prior to reporting this incident, I was supervised by the contractual supervisor. My work was exemplary. Staff brought me flowers, sent me notes acknowledging hard work, and I was sunshine to the department.

After, notifying administration of the unlawful guidance practices, I was lynched and harassed. No flowers this year, no office, no equipment, is this supposed to be a coincidence or a conspiracy?

2/11/99 I was told that I was called to a meeting to discuss the unlawful guidance practices impacting on LEP students. When I got to the meeting, I was told not to follow the Commissioner Regulations, to leave the regulations alone and in retaliation for

enforcing the opt out letter, and notifying administration of the educational abuse, the HCTA contract and my supervisor was changed.

I was compelled to violate the contract and to work in contradiction to what I was hired to do. Thereafter, my tenure was maliciously tampered with in retaliation to doing the job I was hired to do.

If I had not given the Bilingual Opt Out letter, like this year it was not given out, and not reported the guidance counselor's vindictive act to students my contract would have been respected, like it was prior to this incident.

I sent the memo outlining the unlawful act against children on 2/4/99 and by 2/11/99 I was retaliated against by contract violations and an unreasonable and discriminatory change in supervision. I have been harassed thereafter.

Since this incident, the continuous escalating harassment and retaliation has compelled me to wish I never gave out the Bilingual Opt Out letter, and denied parents their right to choose if their child should be in an ESL or bilingual program. I would have my contract respected as it was prior to this. I would have been granted tenure by my contractual supervisor's statements and ratings.

There would have been no political interferences with my tenure if I did not do my job. However, when reviewing law, specifically, McLaughlin v. State Bd. Of Education. No. A084730, I had a duty to do what I did, leave the decision-making authority for teaching limited English proficient students to parents, rather than leave it with the bilingual guidance counselor, who I question her academic qualifications and certification in ESL or bilingual education.

Despite the harassment and two unconstitutional terminations, I have done what is right by law and by children. Should I lose this job behind doing this, than there is something greater for me to do, but my name and work will be respected.

The newly developed unconstitutional, deceptive, and retaliatory termination letter, coupled with no place to work, no equipment to work with, continuous politically motivated and retaliatory tenure denial attempts, a proposal to waste state monies, work conditions created to compel a resignation and a host of other corrupt and coercive acts, leave me at no surprise. This letter lets me know the lynching will continue.

I went from excellence to below zero. What was the criteria that caused this drastic change? How come the change in supervision and harassment did not occur before 2/4/99? What happened on 2/4/99 that caused my contract to be null and void, as Mr. Keefe has stated? Why have I been dismissed twice unconstitutionally and in retaliation to doing what I was hired to do, comply with the HHS Corrective Action Plan and overseeing the ESL Bilingual high school program in an attempt to structure the program with the Commissioner's Regulations, Part 154 and educational research.

FORESEEABLE CRIMINAL COMPLAINT FILED WITH THE US DEPARTMENT OF JUSTICE, EEOC AND THE LOCAL HUMAN RIGHTS OFFICE

As stated in the matter of Baer v. Nyquist, 34 N.Y. 2d 291, 357 N.Y.S.2D 442, 313 n.e.2d 751), " the stratagem of unduly delaying formal appointment of a teacher to a position, which the teacher is in fact already filling, may not avoid strict application of the statutory scheme for granting tenure to qualified and experienced teachers.

The tenure system is not an arbitrary mechanism designed to allow the union or district to readily evade its mandate by the creation of technical obstacles on a qualified teacher's trail to tenure".

The obstacles are evident in the harassment I have endured. Each obstacle outlined resulted in the corruption and manipulation of the requirements for tenure, all in violation of Education Law 3012 (1) (a).

Furthermore, in the matter of Baer v. Nyquist, 34 N.Y. 2d 291, 357 N.Y.S.2D 442, 313 n.e.2d 751), it is stated that it is a legislative expression of a firm public policy determination that the interests of the public in the education of our youth can best be served by a system designed to foster academic freedom in our schools and to protect COMPETENT teachers from the ABUSES they might be subjected to if they could be dismissed at the WHIM of their supervisor. In order to effectuate these convergent purposes, it is necessary to construe the tenure system broadly in favor of the teacher, and to strictly police procedures, which might result in the corruption of that system by manipulation of the requirements for tenure. Violations of the tenure system must be forbidden, lest the entire edifice crumble from the cumulative effect of numerous well-intentioned exceptions.

It is evident that the tenure waiver, proposal to fire myself, no where to work, no equipment to work with, work conditions set up to stop me from working, and the pitting of human beings by race, were conspired and created to compel a resignation. Each of these is a bad faith stratagem that results in a violation of the tenure statutes and maliciously deceives the board of education.

The use of the union president, to inform me that it is district policy to compel waivers when probationary periods are reduced is in contradiction to all educational laws pertaining to tenure.

Furthermore, the presentation of the waiver to the board as a voluntary act, or willing act was deceptive, deceitful and fraudulent. Each party involved knew I contested the waiver in full as exemplified in the tenure denial/Retaliatory Change in Supervision Grievance filed with HCTA.

Mr. Keefe's refusal to file the grievance or request a hearing regarding the retaliatory termination recommendation was unconstitutional. This was an act of compulsion and constraint which compelled and induced me to act otherwise than

7.

freely, despite written notices to him requesting a hearing on the unconstitutional tenure denial.

He used the waiver as pressure brought to bear on my free will of wanting a hearing and no waiver. He exerted undue influence and forced me to incriminate myself, against my will, and consequently, the coercion has vitiated the effect of the waiver. 385 U.S. 493, 496-500.

The waiver was a contractual breach or tort, which must be voluntary in order to create liability. The evidence was that in addition to not wanting to sign it, it was signed under protest in tiny print because he told me I could not sign it under protest. I knew something was wrong and practiced signing it under protest at home because it was against my will and I wanted no further harassment or income threats.

The waiver duress negated the free assent necessary to create a binding contract and was accomplished by force and threat of force to my property, my income. The evidence of duress is that my income was threatened for a constitutionally impermissible purpose (James, supra. See also Mt Healthy City Bd. of Ed. V. Doyle, 429, US 274). Also, see Dobbs, Remedies 10.2 (1973).

To terminate, threaten my income, and offer me a waiver for a constitutionally impermissible purpose, is to act in bad faith and qualify as duress. See 274 F. Supp. 1002, 1005.

The duress directly linked to the waiver invalidates the consent, which excludes any liability. See Prosser & Keeton Torts 121 (5th ed. 1984).

I have received unsubstantiated stigmatizing termination recommendations this year. I have grieved each one based on the fact that they are false and maliciously created.

The corrupt acts described above and imposed on me have been maliciously conspired to cause unduly delaying formal appointment of tenure. Each act, specifically the waiver and the proposal are technical obstacles on a qualified teacher's trail to tenure (see Matter of Baer v. Nyquist, 34 N.Y. 2d 291, 357 N.Y.S.2d 442, 313 n.e.2d 751).

Furthermore, each act was a violation of the tenure statutes which specify the following: The very purpose of tenure is to protect worthy instructors from enforced political pressures, such as the retaliatory and unconstitutional acts involved in this matter, the waiver and proposal, and denial of any due process whatsoever, and to guarantee employment regardless of the vicissitudes of politics. See School District No. 8, Pinal County v. Superior Court of Pinal County, 102 Ariz. 478, 433 P. 2D 28 (1967). The enforced political pressures are the determining criteria for tenure in this matter.

The termination letter has been presented unconstitutionally. It has not acknowledged tenure or the continuing contract status. In the matter of Peters v. South Kitsap School District No 402, 8 Wn. App. 809, 509 P. 2d 67 (1993) the decision clearly states that: a continuing contract has as one of its central purposes the elimination of uncertainty in the employment plans of both teacher and school district.

If the district did not want me to do what I was hired to do, then the continuing contract should not have been used to recruit my services. I cannot suffer the ramifications associated with any breach I have not partaken in. I believed in the contract and adhered to it to the best of my ability. I would not have accepted employment without the continuing contract status.

For purposes of clarification, I was hired to do a job, a job that I believe in. When bilingual and ESL programs are structured, the manifestations of the structure are exemplified in student test scores, graduation rates, and overall student performance.

The obstacles created in this matter are directly linked to keeping the high school programs unstructured so the bilingual guidance counselor will serve as parent, commissioner, director, and overall decision maker of these programs because of ethnicity and clearly not competency based on the acts and facts.

The frivolous belief that monies will be lost if the programs are structured and parents given the right to pick what instructional program their children will partake in is non comprehensible. When the programs are structured, the classes will be smaller, requiring more funding for services based on student-improved results on test scores.

The district will have stronger evidence substantiating the evaluation of the program. When test scores improve, competitive grants, and exploratory funding opportunities increase due to the documented evaluation.

The evaluation of these programs is student test scores. The lack of knowledge has caused individuals to believe that funding is based on low-test scores. In reality, many times funding is cut when there is a persistent pattern of low-test scores, such as LAB tests scores every year of one.

In order for student scores to improve, both programs must be structured in compliance with regulations and educational research and not personal feelings exemplified in past practice.

Funding will increase because of the needs and the documented evaluation that substantiates the additional funding. As long as the programs are

FORESEEABLE CRIMINAL COMPLAINT FILED WITH THE US DEPARTMENT OF JUSTICE, EEOC AND THE LOCAL HUMAN RIGHTS OFFICE

7.

unstructured, student scores stay low, personal philosophies interrupt and direct children's education, high drop out rate in the upper grades continue, students have to pay for courses in college that they could have received free from the high school, one person acts as the decision maker and parents, teachers, administrators and knowledgeable linguist loose their right to help LEP students.

The false phenomenon that funds will be lost if the programs are structured must be dismantled. This is simply not true and in fact quite the contrary. When there is structure, accountability is more accessible, student scores improve, funding opportunities manifest more readily, substantiated evidence is available that can mandate increased funding, and regulations and laws are enforced inevitably.

I should not have experienced what I have experienced for doing the job I was hired to do. The use of ignorance to conspire tactics to destroy, and exploit my employment status for political reasons is deadly, harassing, and should not have been allowed. Harassment, intimidation, and the linkage of malice while an employee pursues her statutory duties are stratagems adverse to the legitimate interests of the school district. (Matter of the Bd of Ed. Of the City of New York, 22, Ed Dept Rep 48). Also, see Commissioner's Decision No, 12,670.

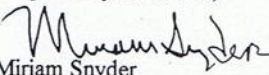

The parties in this matter have grossly wronged the students and parents from past practice and up to now. I thought I was hired to curtail that.

To this end, in closing, please forward any newly created reasons for termination. I hope to be granted a hearing or some type of due process this time. I have had to legally represent myself because I have been told and the facts demonstrate that for some unknown reason my contract is null and void.

I am getting used of, not comfortable with, differential and discriminatory treatment. I have done my best to be the best worker I can be. This is all I can offer the district.

Please forward any reasons that may exist and the date for appearing before the board of education. Thank you for your time.

FORESEEABLE CRIMINAL COMPLAINT FILED WITH THE US DEPARTMENT OF JUSTICE, EEOC AND THE LOCAL HUMAN RIGHTS OFFICE

To: Dr. McLendon, Personnel Director
From: Ms. Snyder, HCTA Member and Second Time Victim of Union Conspired Termination and of Continuous Union Misrepresentation
Re: 5th Notice of Needed Grievance/Due Process that can dismantle the Planned Wrongful Termination for HCTA Contractual Violations of Article XXIII and the attached Summary of Contract Violations
Date: May 26, 2000

HAND DELIVERED

This is the second time I have been set up for a wrongful termination based on contract non enforcement and contract violations. This is the second time I have had to face a wrongful termination despite exemplary ratings and a personnel folder that substantiates each rating.

I was denied due process last year. I waited for a grievance to be launched regarding the above section of the contract, statutory laws regarding retaliation and discrimination. I waited from March 1999 to April 1999. No grievance was filed. The grievance was ignored and the resolution was a coerced waiver because I was denied a hearing I was entitled to.

This pattern has repeated itself and maliciously works to the detriment of the teacher to unduly delay and deny tenure, peace of mind, and continued employment.

These practices have to stop. They are illegal. I have paid union dues at this school for the last 3 years. I have been denied the benefits of the grievance process for the last three years. This treatment is perfunctory, arbitrary and capricious and has an intense discriminatory impact.

I am facing a second wrongful termination based on falsified, erroneous and unsubstantiated charges, despite the supervisors report commending and outlining services rendered as above and beyond the call of duty, and recommending tenure. See attached letter from the supervisor. There is a problem here.

This problem of ignoring the supervisor's report substantiated with facts that entitles me to tenure and continued employment is malicious and illegal. To this end, I respectfully request a hearing regarding the planned and conspired upcoming wrongful termination based on contractual violations, falsified, erroneous and unsubstantiated charges.

CRIMINAL COMPLAINT FILED WITH THE US DEPARTMENT OF JUSTICE, EEOC AND THE LOCAL HUMAN RIGHTS OFFICE

I am entitled to a hearing based on statutory and contractual laws and rules. Please forward a hearing date so the district will not continue to waste state monies in hate crimes against another qualified minority female teacher trail to tenure.

I have worked hard and earned exemplary ratings despite hostile conditions created to deter me from working and compel a resignation. My income will not be tampered with because of racially motivated hate, union conspiracy and abuse of power. A timely hearing date is anticipated. Please forward a date and time for a hearing regarding the above and attached sections of the contract.

I am requesting this hearing with or without HCTA support. This is a direct request to personnel from me. Whether HCTA agrees or disagrees, I expect my statutory right to a hearing to be exercised. I can no longer allow the union to use union dues to destroy me to cover up unlawful racist practices of union officials. Please forward a hearing date. Thank you.

Albert Moskowitz, Chief
Criminal Section
Civil Rights Division
P.O. Box 66018
Washington, D.C. 20035-6018

Dear Mr. Moskowitz or Designee:

I write this letter with respect to several civil rights crimes and hate crimes initiated, implemented and enforced by the HCTA union and Hempstead Public School District. These crimes are specifically:

- US CODE: Title 18, Section 241. Conspiracy against civil rights,
- US CODE: Title 18, Section 242. Deprivation of rights under color of law,
- US CODE: Title 18, Section 246. Deprivation of relief benefits,

The attached documents clearly describe and evidence each of the crimes above. I have prepared the attached documents to file an Article 78 in pursuit of my constitutional right to hold my personal and property interest, my income. However, I contend that this office can further prevent the above crimes by investigating and handling the matter accordingly.

In summary, I have earned exemplary ratings by the above entities. I have postgraduate credits, certification in educational administration and education. However, I have been terminated based on the district contract violations and the union contract non-enforcement, at the expense of hard work and the education of children. I have been bribed, almost forced to partake in the embezzlement of funds (a settlement, free money from unknown funding sources) in exchange for a grievance to be filed and contract enforcement. I have refused to partake in this, have worked hard, sacrificed my life in working in a criminally hostile work environment, and now I have been terminated and denied tenure without cause, with exemplary ratings and I have been blacklisted in my area of expertise and specialization, education. Most importantly, this conspiracy against my civil rights has effectuated deprivation of relief benefits for unknown reasons and or reasons directly related to race.

My income has been targeted, exploited and removed based on the unknown and race. This is an appeal to find out why, how come, and to dismantle these practices that have a discriminatory impact. I know too many victims of these stratagems designed to destroy and manipulate qualified educators based on race, falsified phenomenon's and manifestations that discredit, qualified educators achievements, accomplishments and efforts to work effectively within educational institutions. Should a list of names be needed please let me know.

With respect to this matter, an unlawful termination has been created, implemented, and enforced, despite the filing of numerous grievances in a timely fashion. The willful deprivation of due process and privileges protected by the constitution and laws of the United States requires dismantling or arrests under US Code Title 18, Section 242. Deprivation of rights under color of law. These crimes have effectuated blacklisting, an inability to work in another district, unnecessary and

unwanted unemployment, and a malicious removal of income based on ongoing state and federal civil rights and hate crimes.

I am 38 years old, competent, African American Hispanic, bilingual, well-qualified educator, and a hard worker with a strong work ethic. I value, enjoy and appreciate education. However, my income and opportunity to earn an income in my area of specialization and expertise has been maliciously taken away unlawfully based on the successful implementation of the above-mentioned ongoing civil rights state and federal crimes.

In this matter, I have been used as an escape goat to cover up some serious crimes designed to eradicate black leadership by the falsified phenomenon of creating discrepancies that can not be substantiated by law but serve to discredit achievements, accomplishments, deny equal rights under the law, deny property rights of citizens, deprive rights under the color of law, by way of conspiracy against rights effectuating a deprivation of relief benefits.

I am facing a termination for unknown reasons and a tenure denial that is in direct violation of the HCTA contract, inconsistent with statutory tenure laws, inconsistent with evaluations, and deprives me of employment and benefits on the account of the unknown or my race. I seek equal protections of the law and penalties as described in the U.S. Codes above for those who willingly chose not to abide by the constitutional laws of this great country. I seek enforcement of the laws that effectuate my income back in compliance with the HCTA contract and statutory tenure laws, specifically Education law § 3012, or arrests for the intentional deprivation of relief benefits and conspiracy against rights.

The district has violated each section outlined in the attachment titled: Improper Practice Charges Violations of Section 209-A 1(D) and 209-Aa.2 (c), coupled with last years violation of Section XX 111, Teacher Evaluation. Last year and this year there was never any unsatisfactory rating or material in the personnel file. In fact, all ratings were exemplary and satisfactory. No prescriptive were given. The taking of my income is clearly in contravention to the contract, unlawful and a direct conspiracy against the HCTA contract, my civil rights and statutory laws.

The manner and procedure used to exterminate my income, was in contradiction to law and can be further prevented with the intervention of this office. It is my contention, that this office can have the individuals abide by the law and enforce the contract, effectuating reinstatement with equal rights, which will effectuate the dismantling of the conspiracy against rights and dismantling the conspiracy to deny equal rights under the law, or fine and imprison accordingly, as stated under US Code: Title 18, Section 241. This can be done in the furtherance of governmental administration and justice, specifically, in the furtherance of U.S. Code: Title 42, Section 1981, Equal rights under the law. These crimes can be further prevented prior to pursuing the attached lawsuit. This is a good faith attempt to abide by the law and contract and to dismantle continued conspiracies and hate crimes that have effectuated life-threatening crimes already, the denial of an income and the opportunity to earn an income based on qualifications.

The union has refused to file needed grievances that could have stopped the unlawful termination. I can no longer suffer the ramifications of the union and district crimes at the expense of my income and 14 years of paid union dues. As a victim, living with the ramifications of each crime noted above, I am entitled to enforcement of the above Title 18 US Codes. I have had no due process whatsoever and my income has been taken away unlawfully. I have been paying union dues for over 14 years. I have been filing grievances since March 1999 regarding this termination. These are direct hate and civil rights crimes. Section 246 allows for arrests for each character outlined in the attached documents that threatened and thereafter deprived me of employment, compensation, my income and other benefits, on the account of the unknown and my race.

I am not a lawyer. I am a victim that has paid union dues for years. I have survived three other union conspiracies. Many innocent educators have fell prey to some serious crimes initiated and implemented by union conspiracies. There is no rationale reason why the union has followed me from job to job and maliciously supported contract violations and contract non-enforcement each time I have earned TENURE by merit, law, and the contract. This conspiracy must be dismantled.

My income has been taken away from me unlawfully while I have clear-cut exemplary ratings until contract violations and contract non-enforcement which effectuated a malicious tenure denial and termination. My income and professional reputation has been maliciously exploited, tampered with and almost destroyed based on pure malice and hate. I and many other educators that look like me have been targeted, exploited, and denied equal protections of the law, while doing an effective job or advancing in education by way of union conspiracies against rights. I want to know why? A list of names is of other victims is available.

It is my belief that these are direct hates crimes based on malice, hatred and racism. I am black, Hispanic, bilingual and competent. All skills the union seems to despise. Whatever reason the union has for committing these crimes needs to be known, investigated, and dismantled.

My right to earn an income has been removed unlawfully, based on abuse of power, exploitation, intimidation and civil rights conspiracies. I have done nothing to warrant this. My experience in education reveals that the union has a pattern and practice of targeting black leadership for unknown reasons. I have been used as an escape goat to keep another qualified minority educator unemployed, blacklisted and with an unstable income. These are the effects of unlawful tenure denials and terminations. There is no legal reason this should be allowed.

As you review the attached documents, you will see that I have been and I still am a victim of each of the above crimes, coupled with a complete denial of equal rights under the laws, specifically, as make and enforce contracts is defined under US Code: Title 42, Section 1981. I have been denied property rights of citizens. I have not and do not have, the same right as is enjoyed by other citizens such as due process, union representation, and the right to hold real and personal property, a stabilized income.

Finally, I am also a victim of bribery and corruption by the union president. The union president threatened a resignation and tried to force me to resign by compelling me to a settlement offer in exchange to filing needed grievances. I refused the settlement offer of embezzled funds and thereafter lived through ongoing life threatening criminal work conditions and ongoing statutory tenure traps, each in contradiction to statutory tenure laws and civil rights laws. This is an appeal to abide by the law and mandate that the employer and union officials abide by the law or be incarcerated for enforcing hate crimes accordingly and exterminating income under US Code Title 18, Sections 246, 241, and 242.

I have earned tenure and I have a right to an income, a property interest based on such. I have paid union dues and I am a victim of ongoing state and federal civil rights crimes, coupled with ongoing contract violations and contract non-enforcement. I have sought what any other good standing union member is entitled to, competent union legal representation. This has not happened. Attached are documents that evidence these crimes. My right to earn an income, my income, right to due process, and right to live free from ongoing life threatening harassment has been taken away.

In closing, this is the third union conspiracy I have survived. I am tired. However, there are many victims that have not survived and have fell prey to these conspired crimes. The grace of God has covered me. However, I know too many victims that have landed in the hospital due to union conspiracies that appear unexplainable but are truly explainable and conspired. The use of falsified phememenom, induced nervous breakdowns, and conspiracies to eradicate and deny promotions to qualified minorities in education must be investigated. The record will show that these conspiracies

are well designed and organized with individuals in high power positions. The conspiracies are designed to keep minorities in education at teacher level or to discredit their accomplishments and achievements by imposing and inducing criminal conditions. These are crimes that are done at the expense of exploitation and abuse of public education funds and children.

These crimes can be eradicated and further prevented with the authority of this office. This complaint would not exist and there would be no law suit if the contract, statutory and constitutional laws were enforced. In the furtherance of justice, education for children, and the dismantling of civil rights conspiracies, I ask that an investigation and explanation for each criminal act be exposed, regarding this matter and that punishments be enforced accordingly, as stated in the above US Codes, all in an attempt to enforce the Civil Rights laws and to dismantle each criminal act outlined and exemplified in the attachments. The record will show that these civil right conspiracies are clearly based on intimidation, abuse of power, embezzlement of public funds and enforcement of criminal employment practices, that exemplify malice, hatred and serve no legal or rational purpose other than an aggressive and arrogant approach that violates constitutional laws, abuse power and monies allocated for education.

I have attached the criminal exhibits that exemplify crime and not all of the attachments in the exhibits section of the probable lawsuit. This has been done for paper reduction purposes. However, any document requested in the notarized exhibits and explanation section that this office would like to review, please let me know.

To this end, I respectfully request that the United States Constitutional laws, NYS statutory tenure laws and the HCTA contract be enforced or arrests be made for the enforcement and implementation of civil rights conspiracies effectuating each of the crimes mentioned on the first page of this letter.

Please note that I am 38 years old, dedicated and committed to education, no children, love children, ready, willing and able to work, but have been forced to sit home and waste government monies, by being continually denied employment opportunities in education based on these crimes. I have been maliciously placed on unemployment, due to these civil rights conspiracies. It is a travesty to compel an individual, by way of civil right conspiracies effectuating crimes, to partake in ongoing institutionalized misappropriation of funds and embezzlement of public monies, based on continued abuse of power and unlawful employment practices. To this end, should this office need help, please let me know. I resent not being able to work and utilize the education and skills I have acquired through hard work. There is nothing more any individual can do, other than to appeal to the appropriate authorities for enforcement of the laws. That is all that is needed in this matter.

Your professional expertise, wisdom and knowledge are greatly needed. Thank you.

SENT CERTIFIED RETURN RECEIPT NO.

7000 1670 0001 5074 3511

Dear Ms. Crump:

The Hempstead Human Rights Office has referred me to you. I write this letter with respect to the most needed "Right To Sue" letter. My Federal lawsuit is ready to be filed as I have suffered and continue to suffer the ongoing ramifications of the inhumane racist regime within the NYSUT union that have a documented pattern and practice of destroying qualified and competent educators of color by way of enforcing contract violations, contract non enforcement, disregarding law and grievances as a means of operational procedure.

I have suffered immensely from the above which have effectuated a second time malicious and racist tenure denial, extermination of my income, wrongful termination without cause or due process, blacklisting, and results in ethnic cleansing in public education.

I have exhausted all of my remedies within the union. Attached you will find final correspondence substantiating such and evidence exemplifying a malicious disregard for a meritorious grievance or hearing to resolve this matter. See the attached letter to the union dated September 4, 2001 with attachments.

I have not had a hearing on the malicious, racist wrongful termination despite obtaining tenure by statutory law.

The union has refused to respond. To this end, the "Right To Sue Letter" is needed as soon as possible as I continue to suffer from the malicious acts of the union and district. My income has been exterminated. Despite exemplary ratings, achievements in education, and qualifications above and beyond the requirements for teaching I have been denied employment on an ongoing basis. I have been blacklisted. I cannot get a job in a school district despite letters of commendations from supervisors, staff and community members. The union has blacklisted me and has spread malicious rumors to destroy me.

When I worked through an agency at Springfield High School, semester of 1/2001, the union tried to destroy me again. I had to write the Washington D.C. Office of Civil Rights to finish the year in peace and stop another malicious set up of the union. Some of the same malicious tactics that were done in the Hempstead Public Schools were done at Springfield high school. These tactics included but were not limited to spreading vicious unsubstantiated rumors that would destroy any human being, setting up and pitting students against me and a host of organized criminal acts that do not belong in education.

Witnesses, co workers and supervisors are available to substantiate these malicious union practices that have no place in education other than to result in ethnic extermination of qualified, dignified, and competent educators.

The regime's quest to destroy black leadership in education by way of contract violation, contract non enforcement, denial of tenure based on color and in contravention to law must be regulated by court order. To this end, I respectfully request the opportunity to sue, by way of a right to sue letter from this office. I cannot file in Federal court without a letter from this office.

I have suffered greatly by having my income taken away from me in contravention to law. I have suffered greatly by being denied tenure twice despite exemplary ratings, a state education commendation, and 17 years of paying union dues. These acts exemplify malice as there is no reason whatsoever for this, other than,

127

systematic racism rooted on hate that perpetuates supremacy based on color, an abuse of power, and effectuates the extermination of qualified and competent educator's income.

I have written the union and the school district several times regarding a hearing on this matter. They have ignored my correspondence and have blacklisted me in my field, education. I have never had a hearing regarding the tenure denial, despite the fact that the denial is in contravention to Education Law Section 3012. The district and the union conspired against my rights maliciously, in contravention to statutory tenure laws that are supposed to protect qualified and competent educators.

In closing, the union is not above the law or media. They will answer as to why they have taken union monies and destroyed many educators of color for no other reason but to perpetuate a false phenomenon of supremacy based on color, abuse of power and have facilitated dysfunctionality in minority school districts by enforcing contract violations, contract non enforcement, race pitting, and harassment as a means of operational procedure.

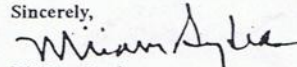

Each strategy resulting in the destruction of the education of targeted children and ethnic cleansing. The New York State tenure denial, termination and retention rates, in education exemplify a discriminatory impact and substantiate each claim made. Qualified, experienced, dignified, caring, and effective educators of color are exterminated in education by way of the above and fraud based criminal charges.

If no one enforces statutory tenure and civil rights laws, the union and district practices that effectuate ethnic cleansing in public education, will continue to destroy children. With respect to my matter, answers are needed as to why I have been targeted for extermination in education despite my accomplishments and effectiveness. The inhumane regime in NYSUT must be dismantled as they are destroying children and dividing human kind.

In closing, please note that I will also be filing a class action Federal law suit regarding ethnic cleansing in public education, the discriminatory impact of continued union failure to represent educators of color, and the implications of enforced contract violations and contract non enforcement on minorities and minority school districts.

To this end, on behalf of equity in education, children and the dismantling of ethnic cleansing in education, I request the right to sue letter. Your professional assistance is needed. Your written response is needed immediately. Thank you.

Sincerely,

Miriam Snyder

Dear Ms. Crump or Current Director:

This is a follow up letter from my letter of September 7, 2001, regarding the request for the needed "right to sue" letter. I have filed several complaints with this office regarding the above matters since 1999. I have suffered and still suffer the ramifications of the gross harassment, discrimination, and retaliation from the organized crime ring outlined in the complaints from 1999.

I seek some type of justice regarding the blatant racism embedded in the unequal protection of the law in the work place.

To this end, please send the needed "right to sue letter" as soon as possible. Your professional and prompt attention is greatly needed and appreciated. Thank you.

Sincerely,

Miriam Snyder

03 CIV. 0263 UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK

Dear Honorable U.S. Attorney Ashcroft:

I write this letter as a follow up letter to the letter sent to you September 22, 2003. I am appealing to this office on behalf of my mother and father, two senior citizens, that have been enjoined in this vindictive, malicious/vendetta based legal attacks, exterminations, killings, enforced grievances, medical and educational conspiracies against human beings/rights.

Another executive order has been rendered for another malice-based execution by way of the medical conspiracy detailed in the documents sent to you previously.

Foremost, both parents are senior citizens and dependent on the medical profession. A doctor in the Bronx has recently legally attacked my father. He is homebound. If time allows, I will forward this documentation to you later.

My mother has recently miraculously erupted with the same medical condition that killed Mr. Gallinson, former union attorney and the same medical condition that is killing Mr. Keefe. These were two key witnesses in this matter. I am attaching the medical conspiracy initiation papers as Exhibit 1.

Foremost, I have sent documentation to this office on several doctors that were ordered in this conspiracy to maliciously and vindictively hospitalize and kill me. It is clear that doctors were used to facilitate the malicious and vindictive extermination of me.

For the record, I am forwarding documentation of the initiation of another medical conspiracy, designed to vindictively and maliciously execute my mother. A malice-based executive order has been rendered. It is in the initiation stage. Exhibit 1, you will find evidence of medical tampering with her prescriptions. The misspelled name is the CODE administered to initiate ordered vindictive killings, just like the coded SYNDER name was used to initiate the administering of lawlessness. See Exhibit 2, letter involving Daniel Labowitz, attorney and Grievance specialist, of the Bar Association, initiating the use of the Coded SYNDER name for purposes of the enforcement of lawlessness.

- ✓ 03 CIV. 0263 and 03 9857 UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK

Dear Honorable Civil Rights Enforcer:

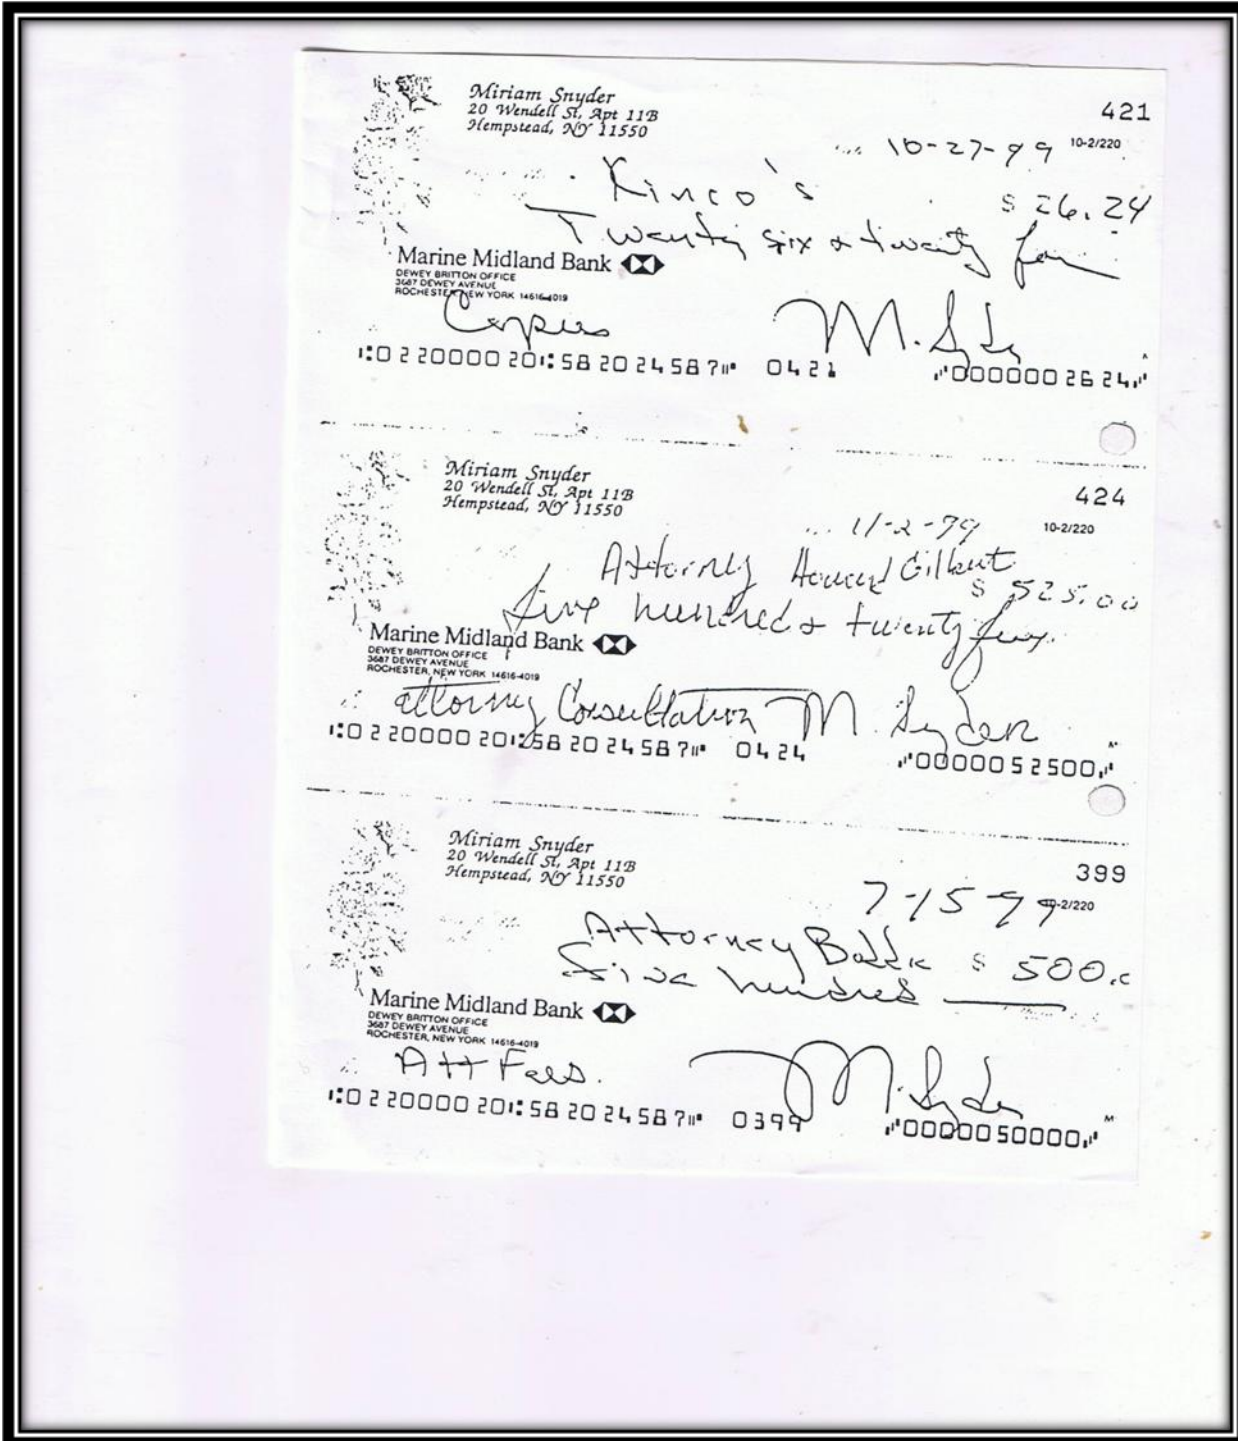

I write this letter with respect to the above criminal civil rights crimes I have endured initially from the New York State United Teachers Association for over 10 years, with progression to the judiciary. Despite seeking enforcement of law in the court as documented above, the criminal conduct continues, which is a direct, ongoing and malicious silent killing on human life again. This letter is a request for an immediate investigation of documented and ongoing judicial corruption that has and continues to obstruct public education and justice for all.

The judiciary's direct conspiring in the denial of remedies for violations of legislative granted and federally protected rights, particularly their denial of equal protection of the law, requires investigation. Moreover, the ramifications of the judiciary's conspiracy against rights have effectuated enforced lawlessness, obstruction of justice and education, legal abuse and misuse in the courtroom and in urban public school systems.

The Ninth Amendment of the Constitution of the United States secures one's right to live free from government abuse, misuse and enforced lawlessness. This Amendment secures the right to earn, have, and sustain, an income. This Constitutional right has been deliberately and maliciously deprived and denied. Enforced lawlessness kills and I am appealing for enforcement of the right to live free from ongoing enforced lawlessness. This silent killing can no longer remain silent, uninvestigated and must be regulated.

Dear Mr. Kapenos:

Again, I write this letter regarding the falsified charges I have been charged by SUNY Brockport. I have paid for classes I never took and I see no reason why a simple decent well-written stipulation Discontinuing action cannot be submitted with the facts, closing the matter.

Again, I am most uncomfortable with the wording of the attached stipulation when I have paid money for courses never taken. There was a severe conspiracy against my civil rights when I was compelled to pay for courses never taken in exchange for my transcript. There will not be another conspiracy for me to get a decent stipulation discontinuing action or acknowledgment of payment.

The courses I have never taken have been paid for and I expect the matter to be closed based on such. Any statement regarding without costs to either party is untrue, inaccurate and misleading. I paid almost \$4,000 for courses I never took in order to have my transcript released. This in itself requires a Stipulation Discontinuing Action acknowledging the payment I made. All other personal issues or hang-ups have no relevancy whatsoever in the stipulation Discontinuing Action.

To this end, I would like to know why this matter can not be closed based on the facts, my receipt for payment, and as exemplified in the attached Stipulation Discontinuing Action that I am comfortable with. Please sign the attached and close the matter without irrelevant personal concerns and misleading statements. Please find a feasible and reasonable manner to close this case based on the payment received. I will not sign any ambiguous stipulation I am most uncomfortable with the wording and that the wording is in contravention to the payment I have made. Thank you.

Sincerely,

Miriam Snyder

Dear Mr. Feriola:

I write this letter with respect to the two attached letters. One is written with no date and from the Account Clerk, Rhonda L. Toth. The other letter is written to you from the New York State Teachers Retirement System regarding a NYS loan payroll deduction.

Foremost, I am sending you written notice that I do not want \$560.00 dollars per month coming out of my check as requested in the attached letter. See the attached letter I sent to the New York State Teachers Retirement System. I requested a \$200.00 BI monthly, payroll deduction as exemplified in writing in the attached letter. I advise you to follow my directive regarding money I work for.

Second, the undated, untimely, and falsified letter regarding my attendance provides the needed evidence that exemplifies, excessive, unsubstantiated, and malicious employment practices that pit, exploit, and facilitate the unlawful extermination of qualified and competent educators of color out of education.

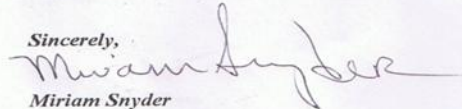

Moreover, the fact that I had to contact the New York State Human Rights office to get a written response for stealing money out of my check and racial profiling and pitting me to file a grievance against another human being based on color ✓

Additionally, the undated letter from the clerk is inconsistent with the attached principal's record substantiating the fact that the \$925.00 was stolen. Have the stolen money placed back in my check. ✓

To this end, and again, I took 3 personal days 4 sick days for the school year and due to the car accident I took 8 days. A total of 15 days, that is allowable under the contract. The stolen money is malicious, cannot be substantiated, and is untimely. To this end, make sure the money is placed back in my check for each and every reason discussed.

Please have the money returned to my check. Thank you.

Sincerely,

Miriam Snyder

RE: Hate Based Race Crimes, Discrimination and Conspiracy Against Rights: Yonkers
Public Schools

Dear Ms. Mc Carthy:

I sent an overnight addressed packet with evidence of the above crimes enforced
in the Yonkers Public Schools.

The malice, hate, racism and the reckless disregard of law, order, and the
education of the children in the school system needs to be addressed. The children were
denied instruction for about month and a half in September. The children had to go to 4
different rooms to learn throughout each day from about October to November. The
children were left with no classroom to learn in from December to present. The children
did not receive grades for the hard work they did despite these malice-based conditions.

The children, parents and I had scheduled an Instructional Holiday Festival the
day before I was almost dragged out of the building by seven people for doing my job
effectively and competently, despite being harassed. The children were sent to the
auditorium in the midst of a lesson, to facilitate building level race pitting, contract
violation; contract non-enforcement, malice, and harassment. In the midst of the lesson
review of the New York State Standards relevant to the lesson, the principal disrupted
instruction and gave me a coverage/ a substitute assignment. I took the slip and he
dismissed the class. This is not the manner in which coverage assignments are
disseminated to teachers. This was a set up. The dismissal of the students was
premeditated, based on malice and exemplifies the unlawful activities an inexperienced
and untenured principal will do in hope for tenure. The education of the children is
contingent on mafia tactics and political favors for administrative tenure. Tenured
principals do not act this way. The principal did what he had to do in a criminal
environment.

The principal is black. He was set up. His overall conduct demonstrates
harassment, unlawful practices, and race pitting. The manner in which he disseminated
the coverage assignment is unlawful, arbitrary, and capricious. The intentional disruption
of the educational process, to interrupt instruction, to violate the contract and harass the

teacher demonstrates clear educationally unsound practices, disregard for children, malice, exemplifies enforcement of contract violations and contract non enforcement as a method of school management and maliciously sets students further behind in instruction. In fact the students are being set up for failure by the ongoing denial, delay of instruction and the ongoing malice based disruptions.

Moreover, these ongoing hate base malicious acts exemplify the ongoing reckless disregard for the education of the students. The disruption of instruction and the seven people termination notice was a malicious, premeditated hate base, race pitting, harassment session, with clear conspiracy against rights ramifications. These criminal acts destroyed the educational program for the children.

The parents, students, and I scheduled a holiday festival for the children and it was destroyed based on malice and hate. The children came to school with gifts for each other, parents sent multicultural platters, my goods for the children are left in a box I was placed in that I could not teach in, all to facilitate hate and malice over the educational needs of the children.

What did the children do to deserve this ongoing hate base treatment? The children call me and ask what is going on? Where are you? Why are they doing this to Ms. Snyder? Student's send letters stating, please come back. How does anyone explain these crimes? Does anyone feel the pain for the children? Does anyone enforce laws that protect children? The children love me but because hate crimes control this district, I was mafia style, almost dragged out of the building by seven people, including the personnel director Ms. Feaster, for teaching my class effectively within impossible conditions. This was a premeditated crime. The lesson was maliciously disrupted by sending me on a coverage assignment, (while I was teaching my class) that is in violation to the contract and have seven people give me a premeditated criminal, unconstitutional, and malice based termination notice, with no cause, other than malice and to destroy the holiday celebration for the children, when I was doing my job, is criminal.

Moreover, what is criminal is that the principal knew the Holiday Celebration was scheduled the next day. This means more parents sent goods, students came with goods, and there was no teacher prepared to implement what was planned. Implementation of the instructional plans for the children was again recklessly disregarded all to facilitate hate based race crimes, malice and harassment of the teacher, at the expense of these minority children's education, state and federal monies.

With respect to your questions, my union dues entitle me to an attorney. Despite several requests, I have been denied this entitlement. This is a clear-cut violation of law. This breach of duty exemplifies ongoing unionized discrimination. This does not happen to white teachers. White teachers union dues entitle them to legal representation. Black teachers are denied the entitlement of union and legal representation at a disproportionately higher rate than white teachers. There is no legal reason for a denial of legal representation that union dues entitle me to. To answer your question, union dues

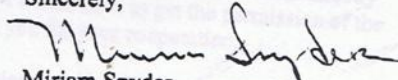

entitle me to a lawyer, but due to the ongoing conspiracy against rights, a crime, I do not have a lawyer.

The ongoing obstruction of the educational process, the reckless disregard for the education of the children, the mafia style treatment and termination, the denial to get my personal belongings and/or see my students and even say good bye, the denial of an attorney my union dues entitle me to, all exemplify civil rights crimes under USC 241, Conspiracy against rights.

The mafia squad, primarily the Personnel director, Ms. Feaster destroyed the education, integrity, and Holidays for the children. Each of the unlawful acts identified in this letter and in the binder sent to this office requires civil rights enforcement.

In closing, students, parent and I are more victims of discrimination, civil rights violations, racketeering and conspiracy against rights in the Yonkers Public Schools. The binder with evidence documenting criminal, hate based race activities and discrimination vestiges, sent to this office should answer all of your questions. Civil Rights enforcement is needed. On behalf of the civil rights laws, children, and parents, I hope that you can enforce civil rights laws that can protect the children and prevent the documented continued civil rights crimes. Thank you.

Sincerely,

Miriam Snyder

Re: U.S. v. Yonkers Board of Education, 80 Civ. 6761 (LBS)

This letter responds to your telephone inquiry on December 18th, in which you asked how to file a complaint regarding a violation of the settlement in the above case. As I explained to you over the phone, given your status as an ESL teacher in the Yonkers Public Schools ("YPS"), I first need to determine whether I can communicate with you about this matter. Since I am the lawyer for the United States in a school desegregation case that we brought against your employer, the YPS, there are rules governing whether I can speak with current employees of the YPS. In order for me to assess whether those rules permit me to speak with you regarding an alleged violation of the settlement, I need you to answer the following questions for me. Please limit your responses to only the information I have requested, and send your written responses to the regular mail or the overnight mail address above. You also may fax them to (202) 514-8337. Once I have reviewed your responses, I will let you know whether we can communicate directly about the alleged violation of the agreement or whether I would have to get the permission of the attorney for the YPS in order to speak with you. Thank you for your cooperation.

1. Do you have a lawyer? When I asked if you had retained a lawyer on December 18th, you said that you had not, but I need to know whether you have since retained one.
2. Have you had any communications with the attorney for the YPS about the settlement agreement, or anything related to what you would like to tell me?
3. Please identify your job position in the YPS, noting any supervisory responsibility you have.
4. Do you have any responsibility for implementing the terms of the settlement agreement? For example, has anyone in the YPS asked you to implement or oversee the English Language Learner (ELL) or Limited English Proficient (LEP) programs required by the settlement?

Sincerely,

Emily H. McCarthy

Mr. Moskowitz, Chief Executive Officer
Department of Justice
Civil Rights Enforcement
P.O. Box 66018
Washington, DC 20035 -6018

Re: Yonkers Public Schools; Ongoing Civil and Human Rights Violations: Hate Based Race Crimes, Ongoing and Continued Vestiges of Discrimination.

Dear Mr. Moskowitz:

I write this letter with respect to the continued non enforcement of civil rights laws, continued enforcement of U.S. Black codes in education by the legal department and union, the continued malicious tenure black listing of qualified and competent educators of color, the reckless disregard of law in minority based public schools, and the ongoing enforcement of racist and discriminatory acts that exterminate and destroy the education of children and competent, qualified educators of color.

The malicious enforcement of civil rights violations in minority based public schools, by way of contract violations, contract non enforcement and the reckless disregard of law and order, effectuates racketeering and criminal activities in public education, at the expense of minority children's education and the malicious spending of federal and state monies by legal departments and unions that enforce discriminatory practices. I write this letter to document with evidence these illegal activities, defined as racketeering, civil rights crimes at the expense of federal and state money in public education and appeal for enforcement of the law in this minority based public school.

Please do not forward these materials to EEOC, as I do not seek a right to sue some day in the future. I seek immediate enforcement of civil rights laws. Civil rights enforcement will prevent irreparable harm and a need to sue later. Civil rights enforcement is required based on Equal Protection of The Law, the Yonkers School contract that is enforceable and the recently settled court order. The enforcement of civil rights laws is a legal requirement that can prevent the right/need to sue again, and can prevent maliciously conspired irreparable harm enforced on children and educators at the expense of an income for lawyers and union officials that have recklessly facilitated the disregard of law in this educational institution that is under court order right now.

People of integrity fought 21 years for the dismantling of racist, discriminatory, and educationally unsound practices in Yonkers School District. This hard work cannot be subterfuge by way of continued disregard of law, a settlement based on money and continued racist practices, at the expense of the parent's children, whose rights were violated. The evidence submitted with this letter exemplifies ongoing pattern and practice of malicious and embedded discriminatory and unlawful acts against children and people of color. The disregard of law and criminal activities enforced requires Federal protection. Enforcement of the law is mandatory. I have been forced/set up to contact the police twice while working in the Yonkers School because of the ongoing, discriminatory, malicious, reckless disregard of law, and organized crime enforced in the school, by way of race

pitting, contract violation, contract non-enforcement, and the reckless disregard of law in this public education institution.

Despite these unlawful tactics, I have worked on volunteer assignments, prioritized the instruction of children despite unsound learning conditions enforced on the school, and have earned exemplary and satisfactory ratings by students, parents, and tenured administrators. This minority-based public school is operated as an employment agency for non-minorities, at the expense of minorities, and more alarming with reckless disregard for the educational needs of the children. The evidence is substantiated in each attachment submitted with this letter and every lawsuit argued prior to the money based settlement. The settlement order needs to be enforced and money dispersed to the victims of the racist crimes, the children, parents, community and the needed instructional programs.

None of the money has been placed in the ESL program at the school. despite the so called settlement order requiring improvement of services to LEP students. I received no books and had no place to teach. I taught all over the building. There were 3 ESL teachers in the building, ready to teach, students ready to learn, and ESL instruction was denied for a month and a half. I want to know why? These acts in themselves are educationally unsound, have a discriminatory impact, and are in contravention to the money being allocated/settled for program improvement in ESL. Despite these maliciously created learning conditions, enforced to facilitate the extermination of yet another competent and qualified educator of color, the humble children and I obtained the best education possible. Why was the harassment/discrimination/racism prioritized over the educational requirements and needs of the children and allowed by the legal department and the union?

In minority school districts, the above malicious stratagems are too often the root and seed that enforces miseducation of children, extermination of qualified and competent educators of color and dysfunctionallism. The education of children in minority school districts is controlled and destroyed by the ongoing disregard of law by officials designated to enforce the law and legally advise the school.

To further exemplify the disregard of law, malice, abuse of power, embedded racism, and falsified phenomenon of supremacy of above the law, I am scheduled for a lynching on January 15, 2003 Doctor King's birthday, in retaliation to speaking on the continued vestiges of discrimination enforced, due to contract violation, contract non-enforcement and the reckless disregard of law. See the attached document that has been maliciously and unlawfully created in retaliation to teaching effectively and asserting rights under the law. The scheduled lynching has maliciously obstructed the educational process, destroyed the holiday program for the children, and is in contravention to Education Law, the contract and settlement order. The lynching, conspiracy against rights, a crime, is scheduled for January 15, 2003.

This will be a historical event, as I will not be exterminated and ethnically cleansed from public education quietly. To this end, I am appealing to each civil rights advocate reading this letter to enforce civil rights laws and stop the New York Style lynching-criminal activities- raqueteeing, a full pledge conspiracy against rights in action, in education, for being qualified, competent, and of color. Moreover, I am appealing for the right of the children to have a qualified and competent teacher of any color, and to be able to teach free from malice.

Equal protection of the law by way of enforcement of Human rights, New York State and federal civil rights and the YFT contract with the district is needed. It is understood by evidence submitted in prior law suits regarding discrimination, that Yonkers own its own, will not operate in a non discriminatory manner, pursuant to the law and or pursuant to court orders. With this in mind, I am respectfully requesting the civil rights enforcement division and the United States Education department to initiate the needed enforcement procedures to regulate the evidence attached.

Below is a list of some, not all of the iniquitous, racist and discriminatory practices enforced on students, staff, and the community based on race.

- ✓ There is ongoing unequal and malicious treatment of educators of color with respect to tenure, retention, hiring, promotion, union representation, administrative assignments and evaluations.
- ✓ Inequitable and discriminatory work conditions, black teachers are not assigned one classroom to teach at a disproportionately higher rate than white teachers,
- ✓ Inequitable administrative assignments, black teachers have administrative assignments at a disproportional higher rate than non minorities,
- ✓ Inequitable coverage/substitute teaching/ additional teaching period, are assigned to teachers of color at a disproportionately higher rate than white teachers. In fact, I was assigned a daily administrative assignment and coverages while non-minority teachers had neither an administrative assignment nor coverage. This discriminatory practice is rooted on racism, controlled by the union, and is disseminated to harass. It is also in violation of the contract. See copies attached.
- ✓ Qualified and competent educators of color are denied equal appointments as administrators and teachers at a disproportionately high rate,
- ✓ Qualified and competent teachers of color are directed to acts as substitutes while non minority uncertified teachers obtain full contracts as teachers and are not directed to do such,
- ✓ The personnel office is run in a most racist manner in that the treatment is discriminatory and files of competent and qualified minorities are lost or not found in a most unusual and persistent manner.
- ✓ Qualified and competent educators of color are targeted victims for harassment, exploitation, falsified school reports, such as attendance reports and falsified accusations are rendered at qualified educators of color at a disproportionately higher rate than non minority teachers,
- ✓ Qualified and competent educators of color suffer from malicious unsatisfactory ratings at a higher rate than non-minority teachers.
- ✓ Qualified and competent educators of color are removed from office, fired, exterminated without cause, at a higher rate than non minority educators,
- ✓ Qualified and competent educators of color are removed from office, fired, and exterminated from education in retaliation to speaking on documented discriminatory practices.
- ✓ Qualified and competent educators have no book money and/or less books/book money than non minority educators,
- ✓ Qualified administrators of color are undermined by malicious efforts of the union at a higher rate than non minority administrators,
- ✓ Race pitting is used as the form of management in minority based schools,
- ✓ Qualified administrators of color sign written evaluations that someone else has written.

Re: Unexplainable Erroneous Practices In Pay

I write this letter with respect to the above, specifically the inability to cash my check due to an erroneous name change by human resources. My name was changed from SNYDER to SYNDER for unknown reasons. Additionally, I write this letter with respect to non-payment and missing pay after six weeks of work.

Foremost, attached you will find a PACE University check/stub with a newly created name that was imposed on me by the human resources department for unknown reasons. My name was changed to SYNDER, when all of the documents, commendations and references submitted to human resources were and are SNYDER. This possible human error has significant negative ramifications in the denial/delayed of payment, as the check is written for a person who does not exist. This error has created problematic conditions in obtaining payment for work provided. The SYNDER naming needs to be corrected as my name is Miriam SNYDER. It is unprofessional and unheard of to work in an education institution that does not prioritize proper spelling and correction of such, particularly at the expense of another human beings livelihood.

Second, I have worked six weeks without pay. Finally, this week I was supposed to be paid for, at minimum, four of the six weeks worked. I was not paid accurately or properly. I was paid three of the six weeks worked when I was due six weeks. Not only is the pay untimely, it is inaccurate. At minimum, considering a two-week lag, I was due four weeks of pay. I was not paid correctly for unknown reasons.

These unwarranted and additional errors have been imposed on me despite my efforts to work above and beyond the call of duty. Specifically, I have worked without needed/required books, without needed attendance rosters, without testing or placement data. Despite all, I worked around these conditions to provide effective instruction via paying for student copies, creating placement data, and doing whatever work was necessary to educate and serve students effectively.

The above errors that have been imposed are unwarranted. These errors have been implemented above and beyond my control, have created conditions that enforce and facilitate erroneous practices as a means of operation, specifically targeted at me. Erroneous practices breed unwarranted havoc, non-productive attention, confusion and resemble the enjoyment of innocent people in a conspiracy against rights, which effectuates lawless loss of income. It is most distasteful and I am sure no human being would want to be subjected to these ongoing erroneous practices with oppressive financial ramifications. They serve no productive purpose; have no rationale, but effectively breed chaos and confusion.

To this end, I respectfully request that the spelling of my name on each pay check and all documents be correct, as well as being paid accurately and timely for services rendered. The next paycheck owed should represent the missing hours as well as the time I have tutored. Consequently, for the pay period of October 30, 2005 I am owed back pay of 8 hours plus the 16 regular hours already worked, plus 4 hours of tutoring. I am due 24 hours of regular pay and 4 hours of tutoring. I ask to be treated the way you or any human being would want to be treated. Your professional assistance in implementing an orderly, efficient, and accurate work environment, conducive towards education is most greatly needed and appreciated. Thank you.

From: MIRISNI
To: bcolmer@pace.edu

Dear Barbara:

Just a follow up to my previous email regarding the enjoining of students to enforce hate crimes. I am not saying you are enjoining them for this, but someone is and these are hate crimes, premised off of pitting students against a teacher based on different races. This is what EUGENICIST do. They infiltrate education environments focusing on differences rather than similarities.

The complaints or concerns have nothing to do with educationally sound practices, or legal issues or law, but they facilitate and entertain pitting, division, racism, mistreatment of a qualified and good teacher with the ultimate goal of a lawless execution of income. The unknown to the teacher comments, concerns, and manner they are being handled, undermine the teachers authority. Once the authority is undermined, you no longer have an instructional environment, you have a plantation, where students are pitted against a teacher no matter how good the teacher is. The students develop the understanding that they can go to the plantation master, to complain about the plantation. I do not work in plantations or for EUGENICIST.

Consequently, this is a desperate move to try to destroy my spirit and the manner it is being dealt with facilitates the crimes. As a profession, the students should have been instructed to inform the teacher first of the concerns. If the concerns were not addressed by the teacher, then the urgent unknown meeting is needed. A teacher cannot address concerns that do not and did not exist or that students miraculously decided not to tell her of.

If the concerns were in good faith and or urgent, how come the problems did not exist on November 2, 2005? What caused a three day delay? Did anyone ask the students did they talk to the teacher? If the concerns are meritorious and urgent, what happened to them on Wednesday afternoon, Thursday morning, afternoon, or evening, Friday, morning or afternoon? How come the students were not referred to the teacher first to discuss the miraculously erupted concerns? Is this common at PACE? Students go to the administrator, before the teacher if they have a concern? Is this procedure? How come the students never came to me? Is this good faith?

The same way students are being used and enjoined in this hate crime is the same way good teachers are set up. If you care about students, your professional reputation, I urge you to reconsider, the manner in which this matter is being handled. These are some real coincidences that require investigation, as my name is not the hate crime victim of the year. Thank you.

Dear Barbara:

Just a follow up to my previous email regarding the enjoining of students to enforce hate crimes. I am not saying you are enjoining them for this, but someone is and these are hate crimes, premised off of pitting students against a teacher based on different races. This is what EUGENICIST do. They infiltrate education environments focusing on differences rather than similarities.

The complaints or concerns have nothing to do with educationally sound practices, or legal issues or law, but they facilitate and entertain pitting, division, racism, mistreatment of a qualified and good teacher with the ultimate goal of a lawless execution of income. The unknown to the teacher comments, concerns, and manner they are being handled, undermine the teachers authority. Once the authority is undermined, you no longer have an instructional environment, you have a plantation, where students are pitted against a teacher no matter how good the teacher is. The students develop the understanding that they can go to the plantation master, to complain about the plantation. I do not work in plantations or for EUGENICIST.

Consequently, this is a desperate move to try to destroy my spirit and the manner it is being dealt with facilitates the crimes. As a profession, the students should have been instructed to inform the teacher first of the concerns. If the concerns were not addressed by the teacher, then the urgent unknown meeting is needed. A teacher cannot address concerns that do not and did not exist or that students miraculously decided not to tell her of.

If the concerns were in good faith and or urgent, how come the problems did not exist on November 2, 2005? What caused a three day delay? Did anyone ask the students did they talk to the teacher? If the concerns are meritorious and urgent, what happened to them on Wednesday afternoon, Thursday morning, afternoon, or evening, Friday, morning or afternoon? How come the students were not referred to the teacher first to discuss the miraculously erupted concerns? Is this common at PACE? Students go to the administrator, before the teacher if they have a concern? Is this procedure? How come the students never came to me? Is this good faith?

The same way students are being used and enjoined in this hate crime is the same way good teachers are set up. If you care about students, your professional reputation, I urge you to reconsider, the manner in which this matter is being handled. These are some real coincidences that require investigation, as my name is not the hate crime victim of the year. Thank you.

Re: Complaint # PI2005-0243

Dear Ms. Snyder:

This is to acknowledge receipt of your letter in which you make a series of allegations regarding Chief Administrative Judge Jonathan Lippman and the operation of a eugenics program out of the University of Rochester Medical Center. You conclude by alleging Judge Lippman and Mr. Adam Urbansky are conducting a Tuskegee-style pattern of medical testing and are injecting emergency room patients with lethal injections.

Since your letter fails to provide any specific evidence to support the basis of your allegations, other than conclusory allegations that Judge Lippman is operating a eugenics program, we cannot take further action at this time on your complaint. The role of the District Attorney's Office is limited to the investigation and, where appropriate, prosecution of criminal matters.

In any event, your complaint does not allege misconduct within the County of Westchester, thereby placing this complaint outside the physical jurisdiction of this Office. This determination in no way prevents you from pursuing any civil remedies which may be available to you should you decide on that course of action.

Thank you very much for bringing this matter to our attention.

NARRATIVE

M4297:01/20/2006 17:01 - PATROL DISPATCHED TO INVESTIGATE (SM)

07831:01/20/2006 20:09 - COLMER REPORTS RECEIVING A PACKAGE WITH A DISFIGURED FAKE SKELETON HAND. THE PACKAGE IS ADDRESSED FROM ONE REGINA SNYDER, WHOM SHE NORMALLY RECEIVES EDUCATIONAL MATERIALS FROM. THE PACKAGE APPEARS TO HAVE BEEN REUSED AS IT HAS CLEAR TAPE ON THE OUTSIDE OF SELF ADHESIVE TAB. COLMER THINKS IT MAY BE A FORMER EMPLOYEE WHO WAS RECENTLY TERMINATED, A MIRIAM SNYDER. (JOD)

07831:01/21/2006 16:48 - THIS OFFICER CONTACTED REGINA SNYDER. SHE IS CHECKING THE TRACKING NUMBER ON THE PACKAGE AND WILL CALL HQ WITH MORE INFO. (JOD)

07831:01/21/2006 20:15 - THIS OFFICER SPOKE TO SNYDER AGAIN. SHE SAID THE PACKAGE WAS SUPPOSED TO CONTAIN 2 BOOKS AND IT SHIPPED ON THE 9TH OF JANUARY AND ARRIVED ON THE 20TH. (JOD)

G0867:01/24/2006 14:14 - COLMER BELIEVED THAT IT MAY BE POSSIBLE THAT MIRIAM AND REGINA WERE ONE IN THE SAME BECAUSE OF SAME LAST NAME. REGINA SNYDER ADVISED THAT SHE IS NOT MIRIAM SNYDER. SHE STATED THAT SHE HAS DEALT WITH BOTH BARBARA COLMER AND MIRIAM SNYDER IN THE PAST IN HER BUSINESS DEALINGS WITH PACE UNIVERSITY. COLMER MADE THIS CONNECTION BECAUSE MIRIAM SNYDER WAS VERY UNHAPPY WITH THE WAY SHE WAS TERMINATED AND STATED SO IN EMAILS SENT TO COLMER. COLMER HAS NOT HEARD FROM MIRIAM SNYDER SINCE EARLY DECEMBER. IT WOULD APPEAR THAT MIRIAM SNYDER AND REGINA SNYDER ARE NOT THE SAME PERSON AND JUST HAVE THE SAME COMMON LAST NAME. IT WOULD SEEM THAT THE PACKAGE WAS TAMPERED WITH AFTER IT WAS DELIVERED. -JRG-

Dear Ms. Brookes and Public Officials:

I, Miriam Snyder, submit this letter as a Truth Affidavit documenting the above enforced lawlessness that must be dismantled. The purpose of this affidavit is two fold. This affidavit shall serve as notice of the above documented enforced lawless practices. Second this affidavit is a public cry for Federal intervention and protection based on past documented public education Hate crimes that have been enforced via Noel Cohen of the New York State United Teachers Union, NYSUT and disregarded

by the New York State judiciary under the leadership and direction of Jonathan Lippman, NYS Chief Injustice. I write this affidavit executing God given rights to equal protection, to be treated in a civilized, professional and equal manner in the work place. I seek the dismantling of all of the enforced lawless practices that have no business whatsoever in education.

For the CUNY officials that may not be familiar with the above patterned and practiced hate crime enforcement, please review the evidence attached carefully. This affidavit will be notarized and sent to each of the above via Certified mail and fax accordingly. The evidence includes over 30 pages of documented SYNDER code enforced hate crime exhibits. Mail receipts will be faxed in as my mail has been obstructed to facilitate silencing the truth.

In the first instance, my name is Miriam Snyder. I am a veteran educator. I have administered and taught in public education for over twenty years. I have attached years of commendations I have earned and achieved in public education. I value, respect and appreciate the right to educate. I have been compelled to write Documentaries and multiple affidavits documenting the above New York State level enforced hate crimes and lethal civil rights conspiracies in public education and implemented via the above two characters manipulating education institutions, unions and the judiciary. The above two characters have followed me from job to job, using the union and legal departments to enforce their hate based racist crimes in the same manner they have enforced it at BMCC. Consequently, public protection mechanisms must be enforced or I would have left my self as prey, to be destroyed, by NYSUT racist entities and the legal system, like they have already attempted, repeatedly.

Under the leadership of the above characters and or entities documented patterned and practiced SYNDER code hate crime enforcement has reached the Borough of Manhattan Community College. As such, I am responding, in self defense, to the above enforced lawless acts and to the attached non remedied education and human rights crimes, as well as exercising God given rights to equal protection.

Second, I am publicly notifying Ms. Brooke's, Director of the Developmental skills program, for the fifth time regarding addressing me out of my name. This is a public announcement to Ms. Brookes that my name is Miriam Snyder and not Miriam SYNDER. Please see the attached SYNDER name documents out of Ms. Brooke's office, despite correcting this code multiple times. Please compare and contrast the attached SYNDER name enforced hate crimes, via Noel Cohen, leading attorney, New York State United Teachers Union, manifested organized crime in public education in the same manner as above.

Please carefully review the attached SYNDER name settlement offer and the attached hate crime enforcement settlement from another education institution that Cohen obstructed. Noel Cohen of NYSUT via lawless administrators dismantled equal protection laws, denied students guaranteed public protections, enforced Willie Lynch racist management stratagems and prioritized the obstruction of education via the union to the local administration in the same manner as above. The corruption is being repeated and many innocent people are being enjoined in order to keep their income.

The attached racist and inhumane practices have been and are manifested and enforced under the eugenic leadership of Jonathan Lippman, New York State Chief Injustice who has used his leadership position to create an apartheid system of justice. See the New York State 1991 Minority Report authorized by the NYS Court of Appeals. In the attached hate crime evidence from other education institutions, NYS judges under lawless leadership disregarded the attached documented NYSUT led hate crimes enforced under the attached racist SYNDER code, at the expense of students and public education. The hate crime enforcement disregard is the direct reason, these crimes are

being repeated, because they were never regulated, as demonstrated. I have no control over this and will not suffer the ramifications for these repeated racist practices that destroy institutions made for ALL people.

Noel Cohen and Jonathan Lippman target and exploit majority minority student institutions. They compel students and staff to and create terrorist environments via enforced lawlessness from the top, meaning, unions and legal departments, straight to innocent students, we and they are charged to protect. The below acts and the attached hate crime enforcement exemplify enforced lawlessness as a means of educational operations.

Cohen and Lippman are white supremacist using government to destroy targeted education institutions populated with people and students of color. They must be restrained and regulated. Consequently, the second purpose of this affidavit is a cry for Federal Protection, against the racist entities that enforced the attached hate crimes and ordered the below hate crimes. An appeal for Federal protection is warranted.

Please note that the Developmental Skills program has been chosen to be the playground that fosters and festers off of past practice disrespect, and enforced lawlessness. To this end, this affidavit has been written, in good faith, seeking regulation, of the below repeated documented program improprieties embedded in contract violation and racism.

For the record, and again, Ms. Brookes, please do not address me and or direct others to address me as Ms. SYNDER again. My name is Ms. Miriam Snyder. I expect to be addressed properly from paper work to spoken English and or Spanish.

For purposes of clarity, for all to be clear, I respectfully request written reasons and the educational purpose for the below lawless employment practices that have been enforced. These practices serve no productive or educational purpose, but effectively create havoc, target, and exploit qualified educators, for no reason and or cause. The lawless employment practices include the following nonprocedural, unregulated, discriminatory, and unwarranted employment practices under the leadership of Ms. Brookes. I seek written reasons, from Ms. Brookes, within thirty days, specifying the educational purpose for each of the below documented improprieties:

1. I did not receive the employment contract when hired and have not received one as of today. Please send the employment contract immediately and provide reason for not giving me an employment contract when hired, in a timely, orderly and procedurally correct manner.
2. I have not received the procedurally entitled written observation report, despite meeting with the observer and being told it was satisfactory. Please give me or place the report in my mailbox in a timely fashion and I will acknowledge such in writing, as required. Please include the 50 page instructional plan and activities prepared and submitted in the professional evaluation. The instructional plan submitted for the observation included: classroom instruction and related activities, research, scholarly writings by education experts, student guidance materials, course and curricula development, creative works in reading and multicultural education, and professional activities in educational administration and reading.

3. November 15, 2006 I was addressed wrongfully again as Ms. SYNDER. Ms. Brooke's Reading Skills Synder code documents were placed in my mail box. A thirty day notice is given for a written reason explaining the origin and or where the SYNDER code came from? How did the SYNDER code reach the reading department? What is the educational purpose of using the SYNDER code? Why has the SYNDER code been used to wrongfully address me, repeatedly? These explanations need to be received within thirty days of this affidavit and the explanation must include a public apology, for wrongfully addressing me and using a documented hate crime enforcement coded name that I notified her of previously and on multiple occasions. The attached documented SYNDER code hate crime enforcement attachments were forwarded previously.

4. Phenomenally, under the SYNDER coded leadership and on the same date as the above, November 15, 2006, my students miraculously and phenomenally began to address me as Ms. SYNDER. I asked the students who directed them to address me as Ms. SYNDER. They innocently informed me that they could not tell me who. The Jonathan Lippman, Can You Prove It, social phenomenon, left Africa and came to the Borough of Manhattan Community College classroom. Managing people under the Can You Prove it Mode has proven to be lethal. For those unfamiliar with the Jonathan Lippman Can You Prove It, social phenomenon manual, please contact Judith Kayes's office and or Mayor Bloomberg's office and or the United States Attorney General's office and read the four Documentaries and affidavits I have researched, compiled, written, and submitted documenting Jonathan Lippman's Can You Prove it Social Phenomenon enforced on people of color and effectuating over 13 million dead in Africa. There is no rational reason why the Can You Prove It SYNDER code social phenomenon is in my classroom. Federal protection is warranted because state officials have been notified of these hate crimes and have done nothing. The SYNDER code hate crimes had no business or reason for reaching BMCC, other than unregulated, bold face, above the law criminal practicing.

My email address is mirisni@aol.com and I welcome the sharing of the documented research I have compiled based on Jonathan Lippman's social phenomenon manual and guide, as well as his multifaceted extermination processes.

Please note that in my over twenty years in public education students have not addressed me out of my name, much more as Ms. SYNDER. In this matter, students addressed me properly all semester except on November 15, 2006 when the leadership enforced the SYNDER code. Please note that this is not about a wrongful name change, this is about the attached SYNDER code evidence that established and establishes hate crime enforcement in public education. The NYS judicial disregard of the SYNDER Coded hate crime settlement via NYSUT is the direct reason the hate crimes are being repeated. They were never corrected. Consequently, they are being repeated at this university in the same manner as they were at other education institutions, and at the expense of innocent people and involuntary enjoyments. The use of the SYNDER code and the enforced hate crimes that come with the SYNDER code must be regulated and restrained. Such is sought.

5. Using BMCC members and students in the SYNDER code phenomenon with the attached SYNDER code civil rights crime evidence, is alarming, dangerous and indicative of repeated racist audacity, lack of respect of law, and exemplifies the magnitude of corruption being enforced at present. Adults charged with the duty to protect students are using students in a conspiracy mode to facilitate adult instructor harassment, adult income execution set ups, adult ruthless blacklisting set ups and the lawless disguised extermination set up of another qualified educator of color. This requires public and federal level scrutiny, monitoring, and regulation and such is sought on behalf of students, instructors and public safety as a whole.

This matter, the attached NYS state level enforced hate crimes, coupled with the attached SYNDER code evidence, exemplify the need for Federal Protection in NYS public educational institutions so qualified educators of color can teach and students in majority minority environments can learn in an equal protection and safe environment, free from judicial and union corruption.

This matter resembles The Little Rock Nine story, where the Governor's office was the place where racists would meet and organize. Thereafter, the Governor refused to obey the desegregation court order and the Federal government had to be called in. In this matter, New York State government has refused to enforce equal protection laws. Consequently, a public cry is being made to the Federal government for enforcement of equal protection laws for all people and particularly in education institutions where the majority of students are people of color. These environments are targeted for destruction by racists via enforced lawlessness by design and via contract violations and non enforcement. If the documented SYNDER code hate crimes repeat or continue, a public cry for the National guards will be made to regulate and restrain Noel Cohen and any other racists in NYSUT and Jonathan Lippman abuse of Legal departments to enforce his revenge and hate crime enforcement. This is not personal, this is racial. I thank God I was able to unravel this corruption.

The improprieties have been and are being enforced by racist entities in state government. Innocent people, white and black are being enjoined and compelled to act lawlessly in order to keep their entitled income based on merit, by these state level governmental racist forces. Enforcement of equal protection laws is needed and can not be left to the bias/racist/discretion of Noel Cohen of NYSUT and thereafter the judiciary, as evidenced in the attached evidence. Documented hate crime enforcement is and has been disregarded by the judiciary. No part of NYS government is enforcing public protections despite the fact that these protections are secured by God, but needed to be implemented by man.

It is clear that the SYNDER code had and has a domino effect that started and continues from the leadership. I am asking each entity receiving this affidavit with the attached SYNDER coded civil rights crime evidence to please make sure students are not exploited and used again in this SYNDER code social phenomenon and or any other racist extermination plans.

The judiciary and NYSUT should not dictate to education institutions in a bias/racist manner when equal protections are afforded and should be enforced. Equal protection of the law is a God given right and no man on earth can take this away.

6. The week of September 15, 2006 my mail box was maliciously tampered with. Under this leadership and direction, my name Miriam Snyder was taken off of my mailbox and replaced with the SYNDER code. Ms. Brookes, a written apologetic reason and the educational purpose for such are expected within the thirty days time frame. Please be specific.

7. Following this event, I began to receive SYNDER name coded administrative emails. The domino effect was exemplified again. I want to know what was the reason and purpose for the administrative sending of SYNDER name emails when my name is Ms. Snyder. Who ordered this and why was it done?

The above and the attached lawless practices have no place in education, particularly when I have complied with every requisite deemed by effective instruction, the law, and by the public officers charged with this college's administration. This is a part time job where I earn less than 1,600 dollars a month. Look at the hate crime enforcement level. This means that had I had a full time income, these racist entities would have had me killed under disguise, like they have been doing to lawyers, teachers and others for years and have used the judiciary to cover their crimes, as the pattern is evidenced in the attached evidence.

Cohen and Lippman are part of a bonafide NYS hit team and must be exposed for what they are. They must be regulated and restrained because they are abusing, manipulating, masterminding, and destroying, for personal desires and gain, two powerful sources of NYS government, the judiciary and unionism. The agenda to destroy is premised and manifested off of racism and deliberate economic oppression. They could not hold such powerful positions based on competence and or merit. They both lack God given leadership skills and have bought their way into government. All they know is corruption and abuse of power. They have manifested corruption in every aspect of government with a prioritization and target for low income, urban, education environments.

It is wise and highly recommended that the above practices, cease and desist on behalf of students, education, administrative procedural enforcement and public safety. Above all, I recommend that the Developmental skills program no longer be allowed to function as a playpen for contract violations and contract non enforcement. Contract violation and contract non enforcement is New York State's leading lawless extermination mechanism of qualified, compassionate and effective educators. This lawless, ruthless design exterminates effective educators under disguise and destroys the veracity and meaning of education, unionism and equal protection.

Finally, I am asking Alberto Gonzalez, US Attorney General to intervene, regulate and restrain, the two above lawless characters, because NYS government has not, despite their criminal evidence they did not clean up. I ask that measures be put in place that will enforce equal protection laws with or without the union and or a lawyer because this is a God given right. No one is above the law and hate crime enforcement must be addressed and stopped.

Above all, please make sure the documented past hate crimes are not repeated any further at BMCC. Additionally, I am making a public cry for these racists to be restrained, regulated and forced to leave BMCC students and staff out of their hate crime enforcement including ending the SYNDER code at BMCC and particularly, in the classroom. This is a public cry for Federal Intervention since the state has not met its duty to correct these documented hate based white supremacist crimes, which are obstructing, negatively impacting and destroying public safety and public education.

In closing, I anxiously await a public apology from Ms. Brookes with reasons for the SYNDER code enforced lawlessness within thirty days of this affidavit. I look forward to working together to develop programmatic plans that will dissolve and cure the above lawless practices. Again, thank you in advance for anticipated excellence in educational reform, at minimum, at the program level. Thank you.

Truthfully submitted,

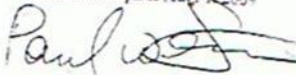

Miriam Snyder, Bilingual Educator

Bainbridge HRA FH Decision and Enforcement: Seeking Equal Protection of the Law , End Stalking Harassment

This is a follow up letter regarding my request for crime victim assistance, a Fair Hearing, and equal protection under the law via HRA services, due to the induced poverty assassination program I have been wrongly and criminally put in. Please see the reference section below for validation. Foremost, please see the below September 4, 2010 US certified mail receipt documenting the sending in of the food benefit recertification papers to the Bainbridge HRA office. The recertification forms were mailed to the Bainbridge HRA office as directed. The recertification papers were submitted and ignored, just like the eldercare work and medical documentation of need for elder work has been disregarded/sabotaged. I seek an end to these disregard patterns and practices as they criminally lynch income worked for, threaten and obstruct health and safety needs, warrantlessly and maliciously. I am respectfully requesting that the recertification US mail receipt be forwarded to HRA headquarters so the falsehood stating I did not recertify for Food benefits can be stopped. I am asking for a lawful reason as to why were the worked for November and January Food benefits stopped. With respect to the affidavit submitted to the above officials last week, please note that January 6, 2011 I met with the Administrative Judge, E Paul Stewart and an HRA Agency Representative named Reginald Styles. A Fair Hearing was not held. The Administrative Judge yielded power over to Mr. Styles and Mr Styles said the case Denial was removed/ reversed. I asked for clarification, meaning would the case sabotage via disregard of eligibility and eldercare work documents, be stopped and I was told yes. The disregard of my evidence would be stopped. I submitted my affidavit with all eligibility requirements and eldercare work verifications pursuant to:

NEW YORK SOCIAL SERVICES LAW - TITLE 9-B - 332 PARTICIPATION AND EXEMPTIONS,
[HTTP://LAW.ONECLE.COM/NEW-YORK/SOCIAL-SERVICES/SO50332_332.HTML](http://LAW.ONECLE.COM/NEW-YORK/SOCIAL-SERVICES/SO50332_332.HTML) This law entitles a family member to work as an eldercare worker and get compensated via HRA. Please see the submitted affidavit with the HRA disregarded verifications where the disregards created a gateway for the need of a Fair hearing:

Regional Killer and Judge Jonathan Lippman Assassination Programming Escalates, Affidavit HRA January 2011

This is my affidavit with 20 exhibits seeking justice to help end this horrific, criminally insane, stalking and assassination program I have been criminally put into. Because of the unregulated crimes inflicted, I have a Fair Hearing scheduled for January 6, 2010 at 2:30 PM AT 14 Boerum Place, Brooklyn NY. I seek protection. This Fair Hearing is scheduled, while all of my income has been stolen from me, while my elderly parents are being attacked, while my electricity is being criminally threatened, and while all food sources have been cut. This assassination program has to be stopped! My life, health and safety, each has been criminally threatened because 2 unregulated regional killers want to continue killing silently and are criminally using NYC law departments and the NYC HRA office to vent their criminally insane revenge. Please see the above web sites and: <http://www.scribd.com/search-my-documents?query=OATH> These killers have used the NYC Human Resource Administration offices as a playground to harm innocent targets repetitiously. Consequently, I am making a public appeal for some type of protection to be put in place while I am at the Fair Hearing office noted above, as Regional Killers Boyden Gray and NYS Chief Judge Jonathan Lippman have escalated their crimes. http://www.scribd.com/doc/45305297/Killer-and-Judge-Lippman-Snyder-Name-Coded-Attempted-Murder-Crimes-Escalate-Via-NYC-HRA?secret_password=1hs2l523ggvc384ml9c9 I am writing this letter so the world will see I have done everything humanely possible to combat and expose these stalking and hate crimes inflicted under the disguise of a hearing. Below is my affidavit with exhibits. I pray not to be attacked again by HRA workers working on behalf of these killers. I am not being allowed to work so I have been forced to deal with HRA. Every part of my life has been infested with criminal judicial jurisdiction creations to harm me. I pray no other human being has to go through this. Please read the below affidavit and exhibits and see the stalking crimes inflicted via continuous use of the obstruction of the rule of law crimes, to create judicial jurisdiction for interaction with me, Miriam Snyder via case fixing.

KILLERS LIPPMAN & GRAY REPLICATED, UNREGULATED NYS STATUTORY TENURE OBSTRUCTIONS, CRIMINAL LAW DEPT USURPATIONS, JUDICIAL CASE FIXING, INDUCED POVERTY TO ADVANCE KILLINGS

This is an old criminal report documenting Regional Killers Jonathan Lippman and Boyden Gray replicated criminal law department usurpations and criminal judicial case fixing. This report details how induced poverty, specifically criminal terminations and income lynching's are used to induce poverty, attempted to silence their crimes and kill innocent people. The current economic crises fraud is induced poverty for this satanic cults regional killing agenda. There is more than enough money on God's earth for people to work and take care of themselves. The economic crises fraud is being administered to advance the killing of innocent people via satanist planned induced disasters that will place innocent people on government funded medical care to be killed. This was criminally practiced in Africa. Qualified people are criminally not being allowed to work to advance this well documented satanist agenda. Please read this report and see the exemplary ratings I earned and learn about the bilingual skills that are needed in the workplace, but because of the prioritization of Regional Killers Lippman and Gray criminal insanity management, I and many other qualified people are being criminally denied income and wages owed. But God!

EXHIBIT: Jonathan Lippman Defraud the US, Non Certified Oath of Office In the Courts,& No Oath of Office in Dept of State

This is an exhibit to the criminal report dated May 19, 2010. This exhibit shows how Jonathan Lippman has not and cannot produce a certified copy of his oath of office as a NYS judge because of his allegiance and oath to the demonic realm. See it for yourself. I requested a certified copy of his oath of office pursuant to authorizing laws. One of his lawyer buddies disregarded the certification request and sent some illegible, criminal, fraudulent, non authenticated mess as if the mess sent was authentic certified copies of Jonathan Lippman's oath of office. There is a serious reason this law department fraud is being administered. It is because Regional Killer Jonathan Lippman cannot take an oath to anything other than his oath to satan for worldly power. This is why he has ordered the police and visiting nurse services crimes and the escalated attacks on my elderly parents. He wants to continue defraud the United States by acting as a judge with no oath of office. To cover up his inability to take the oath, he has thousands of other judges with no oath of office so he can not be identified. But God has another plan. It is the law of the land. All public officers must take and have certified copies of their oath of office because the law says, no oath, no office period. This should not be the job of a crime victim who has been criminally economically assassinated. This is the job of people on a pay roll in public protection offices. This is how demons can rule over the population via people in public protection positions simply using their free will to not do their jobs. Let's end this nightmare and all work together on exposing this Regional Killer Jonathan Lippman atrocity that is the gateway for his required satanic induced disasters in NYS. As a deeply rooted useless demon, he must keep and invoke hell on earth, in order to keep his illusionary top position going. Read about spiritual warfare and let this demon know, his time is up! No certified oath, no OFFICE! JONATHAN LIPPMAN'S INABILITY TO PRODUCE A CERTIFIED OATH OF OFFICE AS A NYS JUDGE , AS REQUIRED UNDER THE RULE OF LAW. NO OATH, NO OFFICE,

This is a great report detailing the oath project showing how judicial crimes are being infiltrated via judicial trespasses acting as judges, holding no oath of office, in contravention to the laws of this country and state. Also, The oath coordinator documents how her elderly parents were harrassed to silence her work and I added links to show the elder abuse replication of the crimes to silence the fact that Killer Jonathan Lippman has no certified oath of office on file anywhere and this is how he is destroying NYS via his criminal trespass as a judge. THIS IS PART 2 OF THE CRIMINAL REPORT OF APRIL 13, 2010. BOTH CRIMINAL REPORTS WERE MAILED APRIL 17, 2010. ON APRIL 13, 2010, AT ABOUT 6: 22 PM, A MAN KNOCKED ON MY DOOR AND SAID HE WAS A NYPD INVESTIGATOR. PLEASE LISTEN TO THE TAPE AND HEAR HOW I WAS SCHOOLED ON: MAKE SURE YOU OPEN THE DOOR FOR THE POLICE. THIS WAS STATED REPETITIOUSLY. THIS WAS NOT AN ACCIDENT. THIS IS CALLED PSYCHOLOGICAL PROGRAMMING. THIS WAS A SCRIPT. LISTEN TO THE END OF THE TAPE WHERE I AM REPEATEDLY INSTRUCTED TO OPEN THE DOOR FOR ANYONE WHO SAYS THEY ARE THE POLICE:
HTTP://WWW.TALKSHOE.COM/TALKSHOE/WEB/AUDIOPOP.JSP?EPISODEID=346329&CMD=APOP THEREFORE, WHEN THIS MAN CAME TO MY DOOR AND SAID HE WAS A NYPD INVESTIGATOR, I BY CRIMINAL PROGRAMMING AND WANTING NO FURTHER PROBLEMS, IN ADDITION TO BEING CRIMINALLY COERCED BY BEING TOLD, THE PERSON AT MY DOOR WAS A NYPD INVESTIGATOR, I OPENED MY DOOR. HE SAID HE WAS INVESTIGATING WHAT HAPPENED EARLIER AND APOLOGIZED FOR THE SCENE. HE WANTED TO KNOW DID I WANT TO ADD ANYTHING TO THE NYPD INVESTIGATION. I SAID I WAS GLAD IT WAS OVER, MAY I HAVE YOUR BUSINESS CARD? HE GAVE IT TO ME AND LEFT. I MUCH LATER LOOKED AT THE BUSINESS CARD AND REALIZED THAT THIS MAN WAS NOT FROM THE NYPD INVESTGATIVE UNIT. HE LIED. HE WAS FROM VISITING NURSE SERVICES OF NEW YORK. I WAS SET UP AGAIN FOR JONATHAN LIPPMAN'S CRIMINALLY IN SANE MEDICAL SET UP, WHICH STARTS WITH CREATING A FALSE CRIMINAL

RECORD/ASSOCIATION BETWEEN THE VICTIM, A MENTAL HEALTH FACILITY AND THE POLICE. PLEASE SEE THE BUSINESS CARD IN THE AFFIDAVIT. THIS MAN HAD ME OPEN MY DOOR BASED ON HIS CRIMINAL IMPOSTURE AS A NYPD INVESTIGATOR AND THE CRIMINAL POLICE OFFICERS THAT WERE AT MY HOME EARLIER READ A SCRIPTED PROGRAMMING TO SUBLIMINALLY COERCE ME TO OPEN MY DOOR UNDER THE DISGUISE OF AN INVESTIGATOR. IF THIS MAN WOULD HAVE SAID HE WAS FROM THE VISITING NURSE SERVICE OF NEW YORK, MY DOOR WOULD NEVER HAVE OPENED. THIS IS DOCUMENTED CRIMINAL SATANIC PROGRAMMING, USING CULT MEMBERS AS POLICE OFFICERS AND MEMBERS OF THE MEDICAL FIELD. BOTH ENTITIES ARE USED TO CRIMINALLY SET UP INTELLIGENT PEOPLE MEDICALLY, OUT OF DEMONIC ENVY OF GOD GIVEN SKILLS. BUT GOD! THIS CULT WILL USE THIS SAME CRIMINAL POLICE CULT AND VNS CULT MEMBERS TO TURN ON OFFICERS, MEANING , ADMINISTER MEDICAL SET UPS, INUCED HOSPITALIZATIONS, INDUCED NERVOUS BREAKDOWNS ETC...PARTICULARLY FOR THOSE IN HIGH POSITIONS. PLEASE STUDY THE SCRIPTS, PARTICULARLY THE BEHAVIORS OF THE CRIMINAL POLICE OFFICERS. THEY ARE PART OF A CULT. IT IS MY CONTENTION THAT MORE TOP LEVEL PEOPLE ARE GOING OUT IN NYC POLICE ON NERVOUS BREAKDOWN AND SUICIDE THAN EVER BEFORE. REGIONAL KILLERS JONATHAN LIPPMAN AND BOYDEN GRAY GOT THE DEADLY MEDS, CRIMINAL SLEEP RESEARCH, DEADLY MIND CONTROL PROGRAMMING WEAPONS, AND CULT MEMBERS PLANTED IN THE POLICE FORCE TO DROP A MICKEY IN THE FOOD AND THEY HAVE THEIR SCRIPTS! WHAT THE POLICE CRIMINALS DID TO ME AT MY HOME ON APRIL 3, 2010, WAS SCRIPTED. THE ONLY ALLEGIANCE THE CULT MEMBERS HAVE IS TO SATAN FOR WORLDLY POWER AND THE POWER IS ONLY TEMPORARY! READ THE BIBLE!!!! POLICE LEADERS STUDY SPIRITUAL WARFARE AND SHAME THE DEVIL!!!!!! MAKE JONATHAN LIPPMAN COME TO KNOW THE SPIRIT AND CRUCIFIXION OF JESUS CHRIST, THE BLOOD SACRIFICE! EITHER THE POLICE WILL DO SUCH, OR THEY WILL BE WATCHING MORE OFFICERS, PARTICULARLY THE ONES AT THE TOP, GO OUT ON DEADLY MEDICAL PHENOMENA. THEY, THESE TWO DEMONS AND OTHERS ALREADY PRACTICED AT THE DEPARTMENT OF JUSTICE. THEY HAVE MORE DEMONS PLANTED THAN I WANT TO BELIEVE, BUT THERE IS NO OTHER WAY THE CORRUPTION/EVIL COULD GO THIS FAR. BUT, PLEASE NOTE, EVERY ONE OF THE DEMONS ARE COMPROMISED. THEY MUST FOLLOW SPIRITUAL RULES AND GOD IS IN CHARGE! THEY CHOSE TO USE THEIR FREE WILL TO SERVE SATAN. THEY ARE COMPROMISED, WE ARE NOT. GOD'S PROTECTION REIGNS, WHEN WE ENFORCE IT. THE DEMONS DO NOT WANT YOU TO KNOW THIS. THEIR JOB IS TO MAKE OFFICERS PARTAKE IN SOME TYPE OF CORRUPTION. THEN THEY HAVE A HOLD. WALK RIGHT, DO

THIS IS A TAPE VERIFIED CRIMINAL REPORT DETAILING HOW JONATHAN LIPPMAN SENT SEVERAL SATANIC CULT MEMBER TYPES, ACTING AS POLICE OFFICERS, TO MY HOME ON APRIL 13, 2010, WITHOUT REASON OR CAUSE, TO BANG ON MY DOOR, THREATEN TO BUST DOWN MY DOOR, IF I DO NOT LET THEM IN. THEY HAD NO REASON FOR BEING AT MY HOUSE. WHEN I ASKED WHY WERE THEY HERE, THE REPLY WAS JONATHAN LIPPMAN AND A JUDGE SENT THEM. LISTEN TO THE TAPE CAREFULLY. YOU WILL HEAR SEVERAL OF THE CRIMINAL OFFICERS

CREATING A MENTAL SCENE VIA SAYING VERY INSULTING AND MENTAL INNUENDO STATEMENTS. ONE CRIMINAL IS IN THE BACKGROUND SAYING HELLO AS IF HE WAS MENTALLY ILL. THESE WERE NOT REGULAR POLICE OFFICERS. THESE WERE CRIMINAL POLICE OFFICERS WHO HAVE DONE, WHAT THEY DID TO ME, TO OTHER PEOPLE. THEY WERE FOLLOWING A MALICIOUS SCRIPT. THEIR JOB WAS TO INTIMIDATE ME INTO BELIEVING, NO MATTER WHO COMES TO MY DOOR AND SAYS HE/SHE IS AN OFFICER OPEN THE DOOR. THIS IS CALLED A DEADLY PSYCHOLOGICAL OPERATION AND THESE PSYCHO WARFARE OPERATIONS ARE DEFINED IN THE BELOW LINKS. [HTTP://EN.WIKIPEDIA.ORG/WIKI/PSYCHOLOGICAL_STRATEGY_BOARD](http://en.wikipedia.org/wiki/Psychological_Strategy_Board) AND [HTTP://WWW.TRUMANLIBRARY.ORG/HSTPAPE/GRAY.HTM](http://www.trumanlibrary.org/hstpape/gray.htm) REGIONAL KILLER BOYDEN GRAY'S FATHER IS THE AUTHOR OF THESE DISGUISED KILLING PROGRAMS, ADVERTISED AS PSYCHOLOGICAL WARFARE/OPERATIONS. IN SUM, IT IS THE SATANISTS WAY TO GET SATANISM, IN GOVERNMENT UNDER THE DISGUISE OF PSYCHOLOGICAL OPERATIONS. SATANISM IS DARK FORCES, HIDDEN, COVERT, AND EVIL ACTIVITIES. THIS IS EXACTLY WHAT PSYCHOLOGICAL OPERATIONS ARE. THEY ARE SECRECY BASED, HIDDEN, COVERT, EVIL DARK FORCES OPERATIONS THAT ARE CRIMINAL. LISTEN HOW A JUDGE'S FALSE STATEMENT CREATED AND CAUSED THIS CRIME SCENE AND WAS CONCEALED, IN SECRECY, AND HIDDEN FROM THE PUBLIC AND MOST IMPORTANTLY HIDDEN FROM THE VICTIM, ME. THE CRIMINAL PIECE OF PAPER THAT RULED OVER THIS ENTIRE CRIME SCENE IS A PRIME EXAMPLE OF WHAT IS DARK FORCES RULING. IT IS CRIMINAL, YET HAD AUTHORITY. THAT IS SATANIC INFILTRATION IN GOVERNMENT FROM THE HIGHEST LEVEL, THE TOP OF THE JUDICIARY. ENFORCEMENT OF THE LAW/ PENALTIES ON THE CREATOR OF THE FALSE STATEMENT WOULD CURVE THIS CRIMINAL USE OF JUDICIAL POWER, BE A FIRST STEP IN ENDING MEDICAL SET UPS, BASED ON DEFRAUD AUTHORITY, AND WOULD STOP OFFENSES INVOLVING FALSE JUDICIAL WRITTEN STATEMENTS. THIS IS WHY THE OFFICERS RANG MY BELL SO MANY TIMES. IT IS UNDERSTOOD THAT THE MEDICAL SET UP IS CRIMINAL. THE OFFICERS WERE EACH PROMISED CLEARANCE VIA DEMONS PLANTED IN THE LAW DEPARTMENTS OF THE UNION AND POLICE DEPARTMENT. Criminal Report: Jonathan Lippman, Bond Number, Oath of Office, Court Entrapment Patterns, Treason, Defraud USA Certified Receipts and Notarized

This criminal report is comprehensive. Only pages 1-25 are new. This criminal report details how Jonathan Lippman is using the NY\$ court system to entrap innocent people. I know of two women he has criminally entrapped into the court system to create a contempt charge and criminally used this criminally insane CHARGE and criminally incarcerated them. I will not be next. In this matter, the frivolous law suit was created and administered in the courts, for no other reason but for harrassment, disguised as contempt. But God! This criminal used his legal manuals to try to entrap me. There is nothing legitimate about this case. NADA. I seek an order of protection against Jonathan Lippman and his use of NY\$ courts for administering frivolous law suits that simply serve to entrap innocent people. This criminal report offers very good information regarding authorizing laws regarding public officers and actions on oficial bonds or undertakings. Regional Killers Jonathan Lippman and Boyden Gray, as satanists, are covertly trying to change the oath's allegiance. This is why the oath of office laws are not being enforced. But they have to be. They want public officials to have an allegiance to the money, ignorant of their role and bond, and when the official recognizes treason for what it is, they will use the bonding process to blacklist them. This is why regional killer Gray is deeply rooted in the insurance surety business. That criminal report is forthcoming. They want the people ignorant of the laws so they can reverse all of these walls of protection Americans have

put in place to protect the people from a corrupted government. Read about judicial bonds and public officer law. Regional killer Gray is trying to change human race protection laws that protect we the people from the exact crimes they are committing. You have no rights, when you are unwaare of such. Wake up America and help retake America from criminals and killers!

NEW YORK STATE COMMISSION ON JUDICIAL CONDUCT RESPONSE TO 18 USC 1341 JUDICIAL FRAUDS AND SWINDLES NYS COURTS,

THIS IS A FILE THAT WAS SABOTAGED WITH RESPECT TO FORMAT. MICROSOFT WORD WOULD NOT LET THE COURT FILED SWINDLES PASTE TOGETHER IN AN ORDERLY FASHION NEXT TO THIS RESPONSE LETTER. THESE CRIMINAL COURT FILINGS, SPECIFICALLY THE CRIMINAL SUMMONS AND COMPLAINT WITH THE CROSSED OUT NAME AND THE FALSIFIED AFFIDAVIT OF SERVICE, WERE SUBMITTED AS ATTACHMENTS WITH MY MOTION TO DISMISS COMPLAINT. THESE DOCUMENTS WERE SENT TO THE NYS COMMISSION ON JUDICIAL CONDUCT. INSTEAD OF RECEIVING, A LETTER NOTIFYING THE PUBLIC, ME, OF THE COURT FILING CRIMES, I RECEIVED THE FICTIONAL ADMINISTRATION LETTER, UNDERMINING JUSTICE, SPECIFICALLY DISREGARDING FRAUDS AND SWINDLES FILED IN THE COURT, DISREGARDING THE FACT THAT IT IS THE ACTING JUDGE'S JOB TO STOP THESE CRIMES. SINCE THERE WAS NO JUDGE, THE CRIMES WERE NOT STOPPED. THIS IMPLIES THAT SINCE THERE IS NO NYS COMMISSION ON JUDICIAL CONDUCT, THE CRIMES WERE NOT STOPPED TOO? WHY DID THE NYS COMMISSION ON JUDICIAL CONDUCT NOT STOP THE CRIMINAL COURT FILINGS. YET, THIS FICTION SENT ME A LETTER DISREGARDING THE CRIMES AND USING CHEAP PSYCHOLOGY OF CREATING AN ISSUE WITH WHETHER OR NOT TO INQUIRE. NY Chief Judge Jonathan Lippman Use of NYS Courts for REVENGE, Documented, Replicated Criminal Fraud, Obstruction of the Rule of Law and Criminal Insanity Administration

This is a complete file exemplifying how the courts are used to advance regional Killers Jonathan Lippman and Boyden Gray's disguised killing of innocent people, criminal fraud and revenge under the lawless court leadership of Chief Judge and Criminal Jonathan Lippman. In this exhibit you will see a media pdf where NYS sued several criminals acting as attorneys. The link is: http://www.oag.state.ny.us/media_center/2009/july/pdfs/5015%20Suit.pdf These criminals are still in the NYS courts replicating the exact same crimes they were publicly supposed to be prosecuted for. An example of such criminality is the lawyer handling the Worldwide Asset case in this document. This law firm is Sharin & Lipshie. They are the second ones on the list of criminals being sued by NYS. Yet, while they are being sued for fraud, misrepresentation, and sewer service, they committed the crime of criminal fraud sewer service again, at me in the Bronx court and no one has stopped this, yet. This criminal enjoinder of innocent people in documented criminal fraud must be stopped. The law firms sued by NYS are fronts for Regional killers Jonathan Lippman and Boyden Gray. Their job is to enslave innocent people to debt that does not exist, use defraud and default judgments to run qualified people out of good jobs, and advance the regional killers agenda of creating vulnerable populations that can be killed under the disguise of eugenics via lack of funds for private medical care. This is another criminally insane manifestation, just like they orchestrated the vaccine infestation of children, to make targeted children dependent on healthcare, when in reality they want access to the children's innocent blood. The below link is another example of one of their criminally insane manifestations to kill under disguise and that compliments the above creation of vulnerable populations and the criminal enslavement process.

<http://www.scribd.com/doc/23548501/Drafted-NYS-Preferred-Drug-Killing-Program-December-2009-Regional-Drug-Killing-Criminal-Report->

December-1-2009 These crimes are the clearest manifestations of a criminal scheme to defraud the United States using attorneys and the court systems, in addition to conspiracy against rights, conspiracy to deprive persons of equal protection of the laws and intentional infliction of emotional distress. The courts should not be used to compel anyone to partake, entertain, and enjoin oneself in criminal activities, specifically in this matter, criminal documented fraud, that is supposed to be stopped in the above NYS law suit against the attorney criminals.

This is the posted information regarding a Complaint with the Prosecutor for the International Criminal Court (I.C.C.) in The Hague against U.S. citizens George W. Bush, Richard Cheney, Donald Rumsfeld, George Tenet, Condoleezza Rice, and Alberto Gonzales (the "Accused") for their criminal policy and practice of "extraordinary rendition". Also there is a support letter for the crimes against humanity complaint. January 20, 2010 "Information Clearing House" - -Professor Francis A. Boyle of the University of Illinois College of Law in Champaign, U.S.A. has filed a Complaint with the Prosecutor for the International Criminal Court (I.C.C.) in The Hague against U.S. citizens George W. Bush, Richard Cheney, Donald Rumsfeld, George Tenet, Condoleezza Rice, and Alberto Gonzales (the "Accused") for their criminal policy and practice of "extraordinary rendition" perpetrated upon about 100 human beings. This term is really their euphemism for the enforced disappearance of persons and their consequent torture. This criminal policy and practice by the Accused constitute Crimes against Humanity in violation of the Rome Statute establishing the I.C.C.
